Rarely available privately located home in Ainaloa on Sugarcane Lane. Not a through street, so traffic is very light.

This HardiePlank-sided, brightly lit home has the wonderful features that make it a real Hawaii home. The front lanai stretches to both sides on the front of the home and is roomy enough for a group of friends to get together and pass the time. The post and pier construction elevates the home allowing great air circulation and a view of the very colorful planting.
