Located approximately 400 feet down a landscaped drive lies this artistic, off grid, studio cabin. Set up on post and pier, this studio is on the 2nd story allowing you to enjoy the cool breezes through the screen windows. The studio has a vaulted, open beam ceiling with a small sleeping loft space, lovely stained glass and mosaic tile on the counter top, life proof bamboo flooring and native ohi'a wood accents. Downstairs is an enclosed garage space with 2 sides that can open up for access and a screened in porch space. The cabin has a 12 volt solar system with 340 watts
