

UHINI ANA RD

House for Sale in **Puna**, Big Island | MLS **720111**

130,680 **\$79,900**
sqft land listing price

Located at an elevation of approx 1,416' this improved lot may be your quiet refuge from a busy world. A gated 200' driveway leads to a cleared area approximately 80' x 50'. You can still get a glimpse of the expansive ocean view this property enjoyed in the past. Additional clearing further back on the lot may restore this view to it's glory. There was another larger cleared area approximately 100' back from the front clearing that is currently overgrown. With a little effort that clearing can be opened up again as well.
