WHAT A GEM! Finally, a house that has it all. This well maintained, permitted home on two landscaped acres, has that old school charm with a new house feel. You'll feel like you're in a treehouse on the second floor with it's wooden walls and ceilings, and many large windows to enjoy the breeze and treetop views. It's here on the second floor where you'll find the kitchen / living areas, two bedrooms and one bathroom, not to mention two separate seating areas on the lanai to take in even more beautiful views.
