Beautifully refurbished, this lovely home lives like new with fresh paint inside and out and the addition of some newer appliances. An advantage over brand new homes is the mature landscaping to include several fruit trees, i.e., Avocado, Cacao, Ylang Ylang, Coffee, Malabar Chestnut and Hayden Mango.

The home features the popular split floor plan, primary suite and spare bedrooms/bath separated by the living area. It's the perfect plan for a family, hosting visitors or entertaining as the living area flows onto a screened in 420 sqft covered deck.
