Lower Kaumana area home, close to town, and in a great neighborhood, this 3 bedrooms / 1.5 bath home needs some TLC to make it shine again. Hardwood floors and single-wall construction gives it your typical Hilo home character. There's a little patio outside the kitchen, laundry room, bathroom, and storage off the carport. Vinyl siding on the home gives added protection from the elements. Nice, flat yard with established ornamental and fruit trees to enjoy!
