sqft land sqft living bedrooms bathrooms listing price

This rare and remarkable property offers spectacular coastline and sunset ocean views, overlooking a well landscaped acre of producing fruit trees. Thoughtfully planned and lovingly maintained, this hidden gem is perfectly situated at an elevation of approximately 1880 feet in a small subdivision of 1-acre lots. The single-story, access-friendly home, built in 2005, spans approximately 1908 sq ft of living area with great attention to detail. It's perfectly positioned to provide elevated views of the immaculate property. The elevation offers year-round
