This unique property has a lot to offer. Higher elevation for cool nights and perfect days. This 2 bedroom 1 bath home was solidly built, but finished without permits. Home is being offered as-is, so may need a little TLC. The views are the assets - South Point and mountain views - you own special canyon view with native plants and birds. Property is a wide (122 x 356) one acre. Circle driveway with gates. The interior murals are unique and maybe you will be drawn to the colors and artistic forms. No appliances are included. A great value as close to county
