Enjoy spectacular ocean and sunset views from this thoughtfully and beautifully-renovated, well-positioned, ground floor, turn-key unit! In 2007, the owners completely renovated the interior of the unit down to the studs, ceiling joists and concrete floors. All new plumbing and 90% new electrical wiring was then added, along with new insulation, all new drywall surfaces, and beautiful new flooring! The most recent renovation included all new ceiling detail work, new walls, and custom TEAK cabinets (made by local craftsmen) in the kitchen, the living areas,
