Beautiful and pristine Upcountry pastureland just outside of Makawao Town with large acreage at 11.883 acres. Conveniently located close to shops and restaurants but privately hidden with old country charm. This property represents the beginning of upper Maliko Gulch, with cool breezes off Haleakala flowing over the green pastures. It feels like stepping back into a simpler time. Excellent agricultural land to raise cattle from your homestead or grow an orchard. Note there are easements for a well and tank site affecting this property. See
