Located on a "flag" lot, experience the very private and rural feeling of this beautiful acreage with 2 permitted (and income producing) residences in a well established neighborhood. You will first arrive at UNIT B home , a 3 bedroom/2 bath well maintained residence. The main living area offers an open beam ceiling and a screened in lanai overlooking the pasture, garden and jungle portions of the property. Enjoy the magical songs of the jungle birds as you sip your morning coffee. Take a walk through the garden and pasture down to the seasonal Moikeha
