

I am so Touched

Written by Master Ted Sun

Performed by Sophia Alexis

In life, I've never felt this way
This time, I'm amazed
Unconditional love will never fade away
I am so touched words don't portray

Abundant love my heart illuminates
because of love I'm on my way
To the life I have always dreamed to create
It is love I'm amazed

In life, I've never felt this way
This time, I'm amazed
Unconditional love will never fade away
I am so touched words don't portray

Abundant love my heart illuminates
Because of love I'm on my way
To the life I have always dreamed to create
It is love I'm amazed

I am so touched day by day
By the world's miracles at play
Wonderful feelings I must convey
Please come sing with me today~~

I am so touched day by day
By the world's miracles at play
Wonderful feelings I must convey

Please come sing with me today~~
Wonderful feelings I must convey
Please come sing with me today~~
Please come sing with me today~~
