2 - Mounting Tab

Thank you for purchasing Rigid Industries' products for your Chevy®. Installation is fairly simple with the right tools and good mechanical abilities. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through all of these instructions and tips before proceeding with installation.

**Always disconnect battery before servicing any fuses or electrical system.**

## **INSTALLATION INSTRUCTIONS**

1. Remove fog light bucket assembly from vehicle.
2. Remove factory fog light from bucket.
3. Mount Rigid Dually or D2 lights to each bracket (see photo 1). Use mounting hardware and brackets provided with the lights, with one exception; Instead of the Carriage bolt provided with the lights, use the  $\frac{5}{16} \times 1\frac{1}{2}$  socket head screws and nylon insert lock nuts provided with this kit.
4. Aim the lights and tighten all hardware at this point. There will be no room to adjust and tighten the lights once the lights/bracket are secured in the bucket.
5. Secure fog light bracket with lights to the fog light bucket using the carriage bolts, flat washers and lock washers provided with this kit. Dually/D2 wires and plugs should feed out the back of the bucket. Use the mounting tab to reinforce the attachment of the top mounting bolt (see photo 2).
6. Repeat process for other fog light bucket. Re-install bucket assemblies in vehicle.
7. Wire your lights according the installation instructions provided with the lights. Take care to avoid any heat sources and sharp or abrasive surfaces.

Dually/D2 lights mounted to bracket. Insert bracket mount bolts first.

Use mounting tab tied into factory bucket mount to reinforce bracket attachment to bucket.

**Your installation is now complete.  
Welcome to the Rigid Nation!**

**ALSO AVAILABLE FOR CHEVY® 1500**

**BUMPER MOUNT KIT**

Fits (1) 20" SR-Series

## WARRANTY INFORMATION

Rigid Industries warrants that this product will be free from defects in material and workmanship. If you believe your Rigid Industries product is defective, it must be returned to Rigid Industries for inspection by our warranty claims department. If, after inspection, Rigid Industries verifies that the defect was not caused by negligence, abuse, unauthorized repair or disassembly, Rigid Industries will determine whether the product will be repaired or replaced in accordance with Rigid Industries Limited Lifetime Warranty\*.

### **Warranty Periods:**

- All LED Lights – Limited Lifetime
- Flashlights – 1 year
- Accessories and Mounts – 2 years
- Batteries – 90 days

### **Warranty Coverage:**

**To begin your warranty claim, you must have a Return Merchandise Authorization (RMA) number. To get your RMA number, please contact our warranty department by phone at 480-655-0100 ext. 1008, or by filling out the Return Merchandise Authorization Form on our website.**

### **All of the following will immediately void all warranties:**

- Customer negligence – The customer has modified the light and/or is not using it for the recommend application.
- Customer abuse – Damage to the light beyond normal wear and tear.
- Repair work done by unauthorized personnel without Rigid Industries' approval.
- If the light has been opened or any screws have been removed.

All warranties are non-transferable. Warranty terms and policies are subject to change without notice.

\*For all information regarding the Rigid Industries' Limited Lifetime Warranty please call 855-760-5337 ext. 1008, email [warranty@RigidIndustries.com](mailto:warranty@RigidIndustries.com), or visit our warranty page online at [RigidIndustries.com/Warranty](http://RigidIndustries.com/Warranty).
