Homophobia Presentation Evaluation

1. Have you talked about homophobia with anyone before? No ☐ Yes ☒
If Yes, with whom? Friend ☒ Lover ☒ Doctor ☒ Other ☒
2. How important is homophobia to you?
Very important ☒ Somewhat Important ☐ Not very important ☐
3. How much of the presentation was new information for you?
None of it ☒ Some of it ☐ Most of it ☐ All of it ☐
4. Were you comfortable with the way it was presented? Yes ☒ No ☐
If no, what part or aspects made you feel uncomfortable

5. Would you host a presentation like this? Yes ☒ No ☐ Why ☐
I feel it's important to address the issue of homophobia -
to dispell misceptions & fears the less aggression and violence
will happen between people.
6. Do you think that this is a good way to spread the word about issues of
homophobia?
yes
7. From this presentation, did you determine if you had practice homophobia before
this presentation?
Yes ☐ No ☒
8. Has this experience in any way changed your mind about some of your own
behavior? Yes ☐ No ☒ If yes, what changed?

9. From this presentation Do you think you can discuss Homophobic issues with your
friends?
Yes ☒ No ☐ Why? ☐
This presentation helped better articulate issues
around homophobia.
10. Have you worked a commitment to an action plan to deal with homophobic attitudes
and behavior. Yes ☒ No ☐
11. Would you recommend this presentation to your friends?
Yes ☒ No ☐ Additional comments
I feel sad that this work is necessary, but very
glad that it is being done.

Homophobia Presentation Evaluation

1. Have you talked about homophobia with anyone before? No__ Yes ☒
If Yes, with whom? Friend ☒ Lover ☒ Doctor__ Other__
2. How important is homophobia to you?
Very important ☒ Somewhat Important__ Not very important__
3. How much of the presentation was new information for you?
None of it__ Some of it__ Most of it ☒ All of it__
4. Were you comfortable with the way it was presented? Yes ☒ No__
If no, what part or aspects made you feel uncomfortable

5. Would you host a presentation like this? Yes__ No ☒ Why__
I do not feel I am knowledgeable enough
6. Do you think that this is a good way to spread the word about issues of homophobia? Yes
7. From this presentation, did you determine if you had practice homophobia before this presentation?
Yes ☒ No__
8. Has this experience in any way changed your mind about some of your own behavior? Yes ☒ No__ If yes, what changed?
I was totally rejecting "genetic" aspects of homosexuality & I can accept it does exist
9. From this presentation Do you think you can discuss Homophobic issues with your friends?
Yes ☒ No__ Why?

10. Have you worked a commitment to an action plan to deal with homophobic attitudes and behavior. Yes__ No ☒
11. Would you recommend this presentation to your friends?
Yes ☒ No__ Additional comments
Homosexual issues affect "everyone" at the point or when in their lives, as a community and for ourselves. Our families we must learn to accept "people" for themselves not what we think they are, or what we'd like them to be.

Homophobia Presentation Evaluation

1. Have you talked about homophobia with anyone before? No__ Yes ☒
If Yes, with whom? Friend ☒ Lover ☒ Doctor__ Other__
2. How important is homophobia to you?
Very important ☒ Somewhat Important__ Not very important__
3. How much of the presentation was new information for you?
None of it__ Some of it ☒ Most of it__ All of it__
4. Were you comfortable with the way it was presented? Yes ☒ No__
If no, what part or aspects made you feel uncomfortable

5. Would you host a presentation like this? Yes ☒ No__ Why__

6. Do you think that this is a good way to spread the word about issues of homophobia?
yes

7. From this presentation, did you determine if you had practice homophobia before this presentation?
Yes ☒ No__
8. Has this experience in any way changed your mind about some of your own behavior? Yes ☒ No__ If yes, what changed?
Not sexual behavior, but rather an inability to create positive growth for participants + staff.

9. From this presentation Do you think you can discuss Homophobic issues with your friends?
Yes ☒ No__ Why?

10. Have you worked a commitment to an action plan to deal with homophobic attitudes and behavior. Yes ☒ No__
11. Would you recommend this presentation to your friends?
Yes ☒ No__ Additional comments
Positive in engaging all participants - would have liked to have seen John + Jeff participate even more

DETAILED ACTIVITY REPORT
FOR
April 1991

Apr 1 - Attended GMOC Management Meeting.

Apr 2 - Attended Coalition for healthy sex meeting to plan CC II and review standards for bathhouses and sex clubs.

Apr 5 - Met with Russ Zellers to negotiate the Care Bill.

Apr 10 - Assisted in Heart Strings presentation at 631 O'Farrell with Mark Dash and friends..

Apr 11 - Met with Lawrence Cruz, District Health Center #2 to discuss establishing a support group at the health center.

Apr 13 - Assisted on second Heart String event at 631 O'Farrell Street with Mark Dash and company.

Apr 15 - Met with Gloria Locket and Gloria Cox, CAL-PEP regarding possible collaboration on a regional program.

Attended GMOC Management Meeting.

Attended Tenderloin Meeting at the Cadillac Hotel

Apr 17 - Attended Relapse meeting .

Apr 18 - Attended Alameda County Education and Prevention Committee meeting.

Apr 19 - Met with David Silven regarding the San Francisco Foundation Grant.

Apr 23 - Attended Coalition for Healthy Sex meeting to discuss CC II.

Apr 24 - Attended Alameda County AIDS Advisory Board meeting.

Met with Mike Shiver regarding Substance abuse training for BAHSES Staff.

Attended People of Color Advisory meeting

Apr 29 - Attended GMOC Management meeting

Apr 30 - Hosted first BAHSES Award night.

531040/712005/511040

DETAILED ACTIVITY REPORT
FOR
May 1991

May 6 - Met with Juan Rodriguez regarding Relapse grant.

May 8 - Attended first BAHSES Board meeting.

May 14 - Attended Relapse meeting

Attended Coalition for healthy sex meeting to plan CC II and review standards for bathhouses and sex clubs.

May 15 - Met with Thomas Hajjar to develop an agency marketing strategy

May 21 - Met with Mike Brunetti to develop an agency Quality Assurance and Training program.

May 22 - Met with Yasu to discuss publishing agency newsletter.

May 23 - Met with BASE (Bay Area Sex Educators) Steamworks to discuss brochures and other educational material.

Met with Jim Wood to develop three programs for agency's payroll and accounting system and data base.

Attended Bay Area Bisexual Network open house.

May 30 - Met with Reggie Williams and Jaime Gcaga to discuss procedures regarding separation of BAHSES from NTFAP.

BAHSES-BWMT/MACT INTER OFFICE MEMORANDUM

July 2, 1991

TO: Lee Woo

FR: Clarmundo S. Sullivan

RE: June 1991 Activity Report

Please find my Detail Activity Report for the month of June 1991 for your review and information.

The major highlights of the month were:

- A. Coalition for Healthy Sex Planning Meeting
- B. Pendulum and Eagle Creek Condom distribution and SWAT Input
- C. BAHSES Speaking Engagement with Care in Action Group
- D. Pink Saturday Planning Meeting
- E. Workshop and Partnership Building at the Care in Action M&M Safer Sex Party
- F. Supervised volunteers for the Pink Saturday Fundraiser
- G. Helped at BAHSES/NTFAP Informational Booth at Gay Pride Day

Encl:

512070

Detailed Activity Report For JUNE 1991

June 6 - Attended planning meeting for the Coalition for Healthy Sex. I was the record-keeper at the meeting. Discussed Sex Club Guidelines and the Carnal Carnival assignments.

June 18 - Went to the Pendulum and Eagle Creek to distribute condoms, lubricants, and solicit input on the SWAT cards. Owners and patrons enthusiastic about SWAT cards.

June 22 - Spoke at Care in Action Group Meeting in Oakland. Provided Care in Action, a sub-group which stemmed from Black Men's Exchange, with verbal information about BAHSES and provided members with our brochures.

June 24 - Attended Pink Saturday Planning Meeting/Volunteer Orientation. I was briefly trained on the purpose, events, and responsibilities of volunteers at the Pink Saturday fundraiser.

June 26 - Co-facilitated a Safer Sex Party with Sederia Thomas of the Berkeley Office of Planning, Education, and Promotion. The Safer Sex Party was for the Care in Action Group. It was very successful and future HHH or Safer Sex Parties may soon follow.

June 29 - Coordinated and supervised volunteers for the Pink Saturday fundraiser. Made sure all volunteers were checked in and were placed in concession booths. Volunteers worked double shifts and overall the fundraiser was very successful.

June 30 - Helped prepare and man the information booth at the Gay Pride Day event. Helped fold, display, and sell BAHSES, SWAT, and NTFAP T-shirts and hand out informational brochures.

BAHSES-BWMT/MACT INTER OFFICE MEMORANDUM

August 5, 1991

TO: Shurland Alrd

FR: Clarmundo S. Sullivan

RE: July, 1991 Activity Report.

Please find my Detail Activity Report for the month of July 1991 for your review and information.

The major highlights of the month were:

- A. Coalition for Healthy Sex Planning Meeting.
- B. Pendulum and Eagle Creek distribution of condoms and implementation of SWAT techniques.
- C. BAHSES Partnership Building with C.I.A. and Town & Country Bar.
- D. Volunteer HIV Group Facilitator Training.
- E. Hot, Horny, & Healthy Workshops.
- G. Hit Table at Steamworks - Berkeley.

Encl:

512070

Detailed Activity Report For JULY 1991

July 2 - Distributed condoms and lubricants at the Pendulum and at the Eagle Creek Saloon.

July 9 - Attended the Coalition for Healthy Sex Meeting. Discussed final changes to the Sex Club Guidelines, a site visit to Carnal Carnival location, and indentifying a volunteer Coordinator. I suggested Rick Roth for the position.

July 12-13 - Attended the Volunteer Group Facilitator Training held at the Stop AIDS Project office at 1855 Folsom. Although I wasn't able to complete the last day (July 14), the training I did receive was excellent and valuable.

July 15 - Coalition for Healthy Sex visited the of Carnal Carnival at 933 Harrison and discussed possible physical changes to accommodate different booths and live acts.

July 17 - Distributed condoms and BAHSES brochures for the first time at the Town & Country Bar in Oakland. Stephanie, the bartender, was very appreciative and welcomed any future distributions and/or activities. I also did condom/brochure distribution to the Cable's Reef bar in Oakland upon their request. Condoms were greatly needed. I also distributed condom at the Eagle Creek Saloon. It appears that Bayview Hunter's Point may have resumed providing the Eagle Creek with condoms. WE NEED CONDOM JARS WITH OUR LOGOS IN THESES BARS.

July 18 - Co-facilitated Hot, Horny, and Healthy playshop with Carlton at the Steamworks in Berkeley. I was a lot more comfortable with this playshop yet still welcome more practice. The guests were responsive and participated willingly.

July 19 - Attended and participated in the BAHSES Hot, Horny, and Healthy workshop given for the BWMT group. This was one of the largest, most culturally mixed playshops I've seen. It¹ was very successful.

July 23 - Attended Coalition for Healthy Sex Meeting. Discussed agency endorsement letters for the Safer Sex Guidelines, mechanics of the Carnal Carnival, and Rick Ross gave the dates and shifts of all the volunteer trainings. Also discussed was recruiting more minority/people of color agencies into the coalition.

July 23 - Participated in the NTFAP and Gregory Adams' Pendulum fundraiser. Shurland and I promoted SWAT and also sold raffle tickets for the fundraiser. Fundraiser and outreach was very successful for a Tuesday night.

July 24 - Co-facilitated a Hot, Horny, and Healthy playshop with Randy Short. Although there was a very low turnout, those that were present enjoyed themselves, participated, and exchanged information. The major point of the workshop was "survivor's guilt." We should consider adding this to the workshop.

July 25 - Co-facilitated a Hit Table at the Steamworks in Berkeley. Mark Dash was not there and outreach was minimal. I really enjoyed working with Joe because he was knowledgeable of everything on the table and he was pleasant.

July 25 - Since outreach was low at the Steamworks I decided to do more outreach at the Town & Country Bar. Elroy, the bartender, was cooperative in letting me place condoms and BAHSES brochures in the bar. This was my second visit with the purpose of building a strong relationship and trust with them so we gain approval to do HHH, Hit Tables, and possible fundraisers.

July 27 - Distributed BAHSES brochures and condoms at the Care in Action (CIA) meeting in Oakland. The host welcomed our materials and asked that I leave some. He has expressed an interest in doing HHH at their meetings.

July 27 - Co-facilitated a Hit Table with Anthony Palmer with the AIDS Project of the East Bay. Outreach was successful. Most of the condoms were taken with explanation on the various types. Most popular condoms were the Max's. We need more Black gay male and lesbian materials. Donations were given freely and willingly.

July 28 - Third attempt to do partnership building with the Town and Country by donating condoms and BAHSES brochures. The brochures from the last visit were all gone.

July 30 - Attended the Coalition for Healthy Sex meeting. Discussed the possibilities of inviting other agencies into the coalition and Carnal Carnival. Also discussed prizes, volunteer duties, and where each booth may be located. Discussed the possibility of purchasing Carnal Carnival T-shirts for volunteers and to sell to participants at the event.

INTER OFFICE MEMORANDUM

August 5, 1991

TO: Lee Woo

FR: Shurland Aird

RE: JULY,1991 Activity Report

Please find my Detail Activity Report for the month of July 1991 for your review and information.

The major highlights of the month were:

1. Attended Relapse Meeting.
2. Attended People of Color Meeting.
3. Did a site visit for Carnal Carnival (933 Harrison SF.)
4. Reviewed several playshops facilitated by new facilitators.

Also included in this report are accounts of the deliverables for

The Fourth Quarter of the M&M Grant.

The July Report of the M&M Grant.

The July Report of the Relapse Grant.

The July Report of the R2 T2 Grant.

The Activity Report for the Project Assistant for Outreach,
Michael Sullivan.

You will also find an outline of my outreach plan for the next three months.

Encl:

516040

**Detailed Activity Report
For
Program Assistant/Workshop
JULY 1991**

- 7/9 Attended Relapse Meeting.
- 7/9 Attended Carnal Carnival meeting.
- 7/15 Visited site of up coming Carnal Carnival
 (933 Harrison Street SF.)
- 7/16 Spoke to Pat Jones at Kaiser San Francisco about
 the scheduling of Hot, Horny and Healthy Playshops
 in the near future.
- 7/17 Attended People of Color HIV/AIDS Advisory Board
 Meeting Topic: Cultural Competence.
- 7/17 Met with Michael Brunetti to discuss M&M Grant 92
- 7/18 Reviewed facilitation of Hot, Horny and Healthy
 Playshop by recently trained volunteers
- 7/19 Facilitated Hot, Horny and Healthy Playshop at
 BWMT'S Rap Night.
- 7/23 Met with Lee and Mike to discuss future Funding
 sources.
- 7/23 Attended The Premiere of a Safer Sex Music Video
 which is a project of The National Task Force on
 AIDS Prevention. Passed out condoms and
 BAHSES's literature at the event.
- 7/24 Reviewed facilitation of Hot,Horny and Healthy
 playshop by recently trained volunteers held at
 625 O'Farrell Street, SF.
- 7/25 Met with Gregory Hinson of Glide Goodlett Project.
 Discussed plans to continue working with the
 project. Gave him some advice on Condoms

and

where they could be purchased also supplied him with "100% " buttons to support our Relapse program and " Cap it Bro" buttons to reinforce our Safer Sex& Relapse program.

7/30

Attended Carnal Carnival meeting.

7/31

Stopped over to see Louis Ashley at The Glide Goodlett Project to extend the good wishes of myself and BAHSES to him and welcome him back after his recent absence.

OUTREACH PLAN

Shurland Aird
Project Assistant-Workshop

African American men who have sex with other men need a clear HIV prevention message delivered within their own environment.

African-American men need positive models from which to change behaviors and reduce their risk for HIV infection through informed choices .

My goals are:

men To provide HIV prevention and education services which reach African-American men who have sex with other men and deliver clear HIV risk-reduction messages.

To provided opportunities for African-American men who have sex with men, the means to implement safer sex behaviors.

To provide a forum for discussion about the realities of Relapse.

TO provide African American youth with a forum to discuss issues relating to HIV/AIDS .

To achieve these goals my outreach plan for the next three months is

August 1991: Several Workshops and HIT (HIV Information Table) are scheduled for the month at venues that include Glide Church San Francisco, The Steam Works Bathhouse in Berkeley, Hamilton Condominiums, 631 O'Farrell St. San Francisco, and 18 th. & Castro Streets (outside the Pendulum Bar)

Volunteer outreach workers will be trained to approach men who frequent the parks and other known places for the purpose of anonymous sex to share information about Safer Sex and Relapse and also other services provided by BAHSES and other agencies.

MEETING with Douglas Yargnon to discuss the R2 T2 project and to plan the next training of Workshop Facilitator Trainers.

Proposed meeting with AIDS(AIDS Indigent Direct Service) to reestablish the collaboration between the two agencies for the purpose of conducting Workshops and sharing of information.

Meeting with representative from the Center in Oakland to discuss plans to host Safer Sex workshops and possible training for staff and volunteers.

Meeting with Brenda Crawford to discuss implementing of long range plans

The Carnal Carnival 2 will take place in San Francisco on August 18. It is an Erotic Safe Sex Hands on experience for men in San Francisco and surrounding areas every effort is being made to encourage the participation of African American Men, whereby flyers and other means of advertising are being developed with that population in mind.

NEXT COMES SEPTEMBER.

September 1991

BAHSES will be participating in a seminar entitled "AIDS IN THE 90's--STREET OUTREACH" on Saturday, September 7, 1991. This seminar is directed primarily toward minority churches in San Francisco and the northern peninsula. It is being sponsored jointly by Glide Goodlett HIV/AIDS Project, BAHSES and the United Methodist AIDS Project.

A training for SWAT Team members is scheduled. Members would go through a similar training to the Hot, Horny and Healthy Facilitators training, but will be instructed in new methods of one on one contact and also fun group activities that could be taken to the new sex clubs that are emerging everywhere and almost everyday if necessary.

Prospective SWAT team members should have no hang-ups or inhibitions about discussing Sex or demonstrating with sex toys. At BAHSES we insist that we are SEX POSITIVE, GAY POSITIVE. And the motto of the SWAT TEAM "Anything Anywhere Anytime" certainly supports that statement.

The Education and Prevention Department will in conjunction with the Support Services develop and implement the "BAHSES Athletic Club". The club goals will be to encourage clients and staff impacted by HIV/AIDS and other life threatening diseases, to take charge of their life and develop alternatives that may prevent risk to their health. Again African American Men will be the main focus of the club but all Gay and Bisexual men will be encouraged to participate.

To bring the Safer Sex message into the 90's, the existing playshops will be augmented with new visual aids eg. transparencies and or slides of all

manuals will be made available for facilitators to use with an overhead/slide projector

Then There's OCTOBER

The month of October has been designated National AIDS Awareness Month and The Education Department of BAHSES will be involved in several projects that will make the public more aware of all our services as well as our needs.

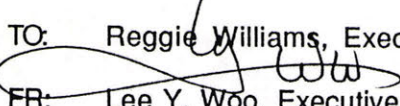

The CASTRO STREET FAIR will provide BAHSES the opportunity to reach a large portion of African American Men. Plans for the actual booth are not finalized at this time but measures are being taken to insure that Gay and Bisexual men particularly men within our targeted population be made very aware that we are just like them, most of us have similar backgrounds, that our programs are designed with their needs in mind, that many of our staff both paid and nonpaid ourselves deal with the issues of HIV/AIDS and that we are there for them.

The Pacific Coast Regional of NABWMT will take place here in San Francisco. BAHSES will be facilitating workshops which deal with HIV/AIDS and also workshops that actually show how we manage our programs with paid and non-paid staff.

BAHSES-BWMT/MACT INTER OFFICE MEMORANDUM

September 4, 1991

TO: Shurland Aird

FR: Clarmundo S. Sullivan

RE: August 1991 Activity Report.

Please find my Detail Activity Report for the month of August 1991 for your review and information.

The major highlights of the month were:

- A. Pendulum Bar and Eagle Creek Saloon distribution of condoms
- B. Lily's and Gregory Adam's Partnership Building/Fundraiser for BAHSES
- C. Steamworks of Berkeley Informational Booth (Hit Table) and Partnership Building
- D. Care In Action Partnership Building
- E. Stanley Parker's Afterparty Partnership Building/Informational Booth
- F. Healthier Sex Coalition Meeting Partnership Building

Encl:

512070

Detailed Activity Report For August 1991

August 1 - Distributed condoms at the Pendulum and Eagle Creek bars. The Pendulum had condoms from the last distribution and the Eagle Creek had some condoms.

August 5 - Represented BAHSES at the Gregory Adam's Fundraiser at Lily's for BAHSES. Distributed condoms and BAHSES brochures to the customers.

August 7 - Co-facilitated a hit table with Tony at the Steamworks in Berkeley. Outreach efforts were successful. Most popular items were our condoms and lubricants. Need more materials that are culturally sensitive to gay Afro-Americans and Latinos.

August 17 - Continued partnership building with the Care in Action group in Oakland. After participating in a rap group I provided the members with BAHSES brochures and condoms. There are strong possibilities of providing HHH workshops with this group in the future.

August 17 - Continued partnership building efforts with Stanley Parker's Afterparty. Set up a hit table that was very successful. Virtually all of the contacts were Afro-American. Most popular items were our Max and Kimono condoms, lubricants, and educational viewmasters. My most successful outreach has been at Stanley's parties.

August 18 - Attended a mock Carnal Carnival which resulted in a discussion of suggestions on how to better organize and make the Carnal Carnival a bigger success than last year.

August 28 - Facilitated a hit table at the Steamworks in Berkeley alone for the first time. This was to test whether or not having one person facilitate the table is more effective than two. Although outreach efforts were successful, I recommend that two facilitators man the table because the table may become crowded, relief breaks may be necessary, and that the kit can be very heavy to transport if facilitator has other bags or items.

BAHSES BWMT/MACT ACTIVITIES REPORT

ACTIVITIES: August Total Figures **DATE OF EVENT** 09/05/91

- ☐ **WORKSHOPS** (Type, Target Audience)
- ☐ **TRAINING** (What Kind: HHH, Facilitators, Survey, Other)
- ☐ **SPEAKING ENGAGEMENT** (For What Group)
- ☐ **PANEL DISCUSSION** (Sponsored by Who)

RE: 8/31/91 BAHSES FINANCIAL REPORT

I reviewed your report and have questions on the following items:

1. c) Relapse-For the first contract the Latino program was to received \$6,100 not \$6,500. Second year funding would be \$6,500 for each program.

d) M&M 1st year contract-The printing and office supplies moved to second year funding \$4,764.84 and \$1,726.61 (Total \$6,491.45) (Including \$2,139.00 paid to BWMT/SFBA) will have an impact on the programs ability to carry out second year contract. Additionally, the cost of the newsletter for BWMT/SFBA (is approximately \$1,170 printing for 1991-92). This creates an operational deficit of \$7,661.45 or 16% of the second year's fund.

This exacerbates the fact that the contract has been extended to 12 months from 9 months (1990-91). The additional difference of 39,666.66 makes the total short fall for this grant of \$47,328.11. This means the M&M grant is starting off 40% in the hole. I need to discuss with you, Reggie and the BAHSES Board how to deal with this short fall .

Undetermined cost associated with the move of the EACH Program, will have additional negative impact on the agency's budget.

As soon as final budgets are available, I will forward them to you. Is the 9% indirect charge against all grants or certain ones for the first and second year funding? I understand there are policies that affect 1991/1992 grants.

RE: October 1991 Activity Report.

Please find my Detailed Activity Report for the month of October 1991 for your review and information.

The major highlights of the month were:

- A. National Black Gay and Lesbian Leadership Forum's Southern CA Black Gay Men's Retreat
- B. Pan African Student Union "The African Student"
- C. Central City Hospitality House
- D. Hot, Horny, & Healthy at Kaiser Permanente
- E. Afro-American Men's Caucus 2nd Anniversary
- F. San Francisco State University Golden Gater Magazine
- G. City College of San Francisco Football Game AIDS Benefit
- H. National Skill Builders Conference and CA Association of AIDS Agencies's Cultural Diversity Institute

Encl:

512070

Detailed Activity Report For October 1991

October 4-6 - Attended and participated in the National Black Gay and Lesbian Leadership Forum's Southern CA Black Gay Men's Retreat. Workshops included HIV/AIDS, Black gay identity and sexuality, internalized oppression, and coming out issues. The culturally sensitive retreat information will definitely be utilized and implemented in our education and outreach department

October 11 - The Pan African Student Union at San Francisco State University asked me to introduce BAHSES to their "African Student Orientation" meeting, which was well attended. This was an excellent opportunity to reach young African Americans college students. We have been a student contact since.

October 16 - Co-facilitated "Hot, Horny, and Healthy Playshop" at Kaiser Permanente. Participation and knowledge exchange was good. Questions about testing and its accuracy and mixed HIV status relationships were raised. Playshop was successful.

October 19 - Participated in a surprise Sex With a Twist (S.W.A.T.) zap at the Afro-American Men's Caucus's 2nd Anniversary. Distributed approximately 30 S.W.A.T. kits to Afro-American men.

October 22 - Was interviewed by the San Francisco State University's Gater Magazine on BAHSES and AIDS in the Afro-American community. Provided interviewer with BAHSES literature, S.W.A.T. kits and invited her to Glide's AIDS Outreach Day and City College of San Francisco AIDS Football Fundraiser to get a first-hand view of exactly what we do. This was a wonderful opportunity to reach and educate all of the students and faculty at San Francisco State University, partnership build, and advertise.

October 26 - Set up and facilitated information table at City College of San Francisco's AIDS Benefit Football Game. This was a great opportunity to partnership build with the athletic department at CCSF and educate.

October 30- November 2 - Attended the National Skill Builder's Conference and the CA Association on AIDS Agencies's Cultural Diversity Institute. Conference and institute were outstanding. Learned about cultural diversity, managing volunteers, fundraising in small organizations, youth service networking,

women and AIDS, AIDS and black PWA's and AIDS and the black church. While there I passed out 100 BAHSES brochures, approximately 15 posters, and 50 S.W.A.T. cards. Our posters and S.W.A.T. cards were most popular. This was an excellent opportunity for me to get training on things in my job description and a great way to partnership build nationally.

RE: November 1991 Activity Report

Please find my Detail Activity Report for the month of November 1991 for your review and information.

The major highlights of the month were:

- A. National Skill Builders Conference
- B. Healthier Sex Coalition's 2nd Annual Carnal Carnival Training
- C. Healthier Sex Coalition's 2nd Annual Carnal Carnival
- D. Relapse Network Meeting
- E. Gregory Adams Fundraiser for Larkin Street Youth Center at the Pendulum

Encl:

512070

Detailed Activity Report For November 1991

November 1-2 - Attended the National Skill Builder's Conference. Obtained a lot of practical knowledge and materials to be utilized in the Education and Outreach Program.

November 16 - Participated and attended the Healthier Sex Coalition's Carnal Carnival Volunteer training. While there, I briefed the BAHSES volunteers on their specific responsibilities for our booth. Created the "Pop the Question" booth concept and purchased necessary supplies.

November 17 - Set-up and coordinated volunteers for our "Pop the Question" booth at the Healthier Sex Coalition's 2nd Annual Carnal Carnival. Created the idea that clients were to pop a balloon, answer the question inside that dealt either with HIV/AIDS/ Safer Sex, or Relapse issues, and were given a prize afterwards. Our booth was one of the most successful, conservative, and popular booths at the event.

November 22 - Hosted this month's Relapse Network Meeting. Discovered that BAHSES was the only agency who submitted completed relapse campaign questionnaires. Efforts to do more work in the Latino and Afro-American community emphasized. Also discussed were plans for relapse workshops at the Lesbian and Gay Health Conference which is scheduled for July 8-12 and the continuance of the 100% campaign. BAHSES was commended for its outstanding efforts and success in implementing Relapse (Sexual) into its program.

November 27 - Assisted Gregory Adams at his fundraiser for Larkin Street Youth Center. It was also an opportunity for the Outreach program to complete a "Bar Zap." Outreach efforts were successful.

RE: December 1991 Activity Report

Please find my Detail Activity Report for the month of December 1991 for your review and information.

The major highlights of the month were:

- A. Steamworks Hit Table
- B. Tenderloin AIDS Resource Center's HHH In-Service
- C. Black Gay & Lesbian Leadership Forum's Dance Fundraiser
- D. Project Development & Community Partnership Building
- E. Volunteer Orientation Training Notifications

Encl:

512070

Detailed Activity Report For December 1991

December 4 - Restocked Sex With a Twist (S.W.A.T.) packets, "Hot, Horny, and Healthy" (HHH) Playshop kits, and Hit Table kits. Also created new inventory sheets for our HHH and Hit Tables.

December 5 - Sam Hart and I facilitated a Hit Table at the Steamworks in Berkeley. Patron turnout was low. Most popular items were the 100% buttons, condoms, and lubricants.

December 6 - Revised facilitators list so addresses and phone numbers are current for scheduling and mailings.

December 11- Jealously and I facilitated a "Hot, Horny, and Healthy" Playshop for the Tenderloin AIDS Resource Center. Overall, the playshop was successful, although the staff already knew AIDS 101. They expressed an interest in knowing more about eroticizing safer sex to pass on to their clients. They also expressed an interest in doing collaborations on a new safer sex playshop and having us become a member of their outreach committee. We are scheduled to meet January 22 for follow-up.

December 20 - Met with Chuck of the San Francisco AIDS Foundation to obtain our 100% Safer Sex pins for outreach efforts. These pins have been one of our most popular and effective tools for safer sex education.

December 21 - Facilitated an informational booth at the Black Gay and Lesbian Leadership Forum's Dance Fundraiser. It was successful. The majority of those served were black lesbians yet some black gay men were also served. The most popular items were Afro-American and AIDS, Lesbians and AIS, and women with AIDS literature. A San Jose State University Afro-American female instructor will contact us later to do HIV/AIDS education.

December 23 - Discussed with Irene Wysocki, Volunteer Coordinator of the San Francisco AIDS Foundation (SFAF), the possibilities of BAHSES becoming a presenter at her Volunteer Orientation trainings. When SFAF is inundated with volunteers, we will be called upon to present volunteer opportunities to volunteers at the trainings. BAHSES will be notified of upcoming opportunities. This is our opportunity to increase our volunteer pool and do partnership building.

December 30 - Typed and mailed BAHSES Volunteer Orientation Training cards to all of our active and new volunteers. This is the second notification of our training for next month.

December 30 - Discussed with Veneda White of the Afro-American Interfaith Alliance on AIDS the possibilities of becoming a member and doing church outreach projects. We have not only been invited to their next meeting but invited to participate in their Church and AIDS conference in February. This will present BAHSES the opportunity to increase outreach efforts with various Afro-American churches that are receptive to HIV/AIDS education.

December 30 - Discussed with Michael DeMarco, Executive Director of the Tenderloin AIDS Resource Center, the possibilities of collaborating on a new safer sex workshop that focuses on how to eroticize safer sex and becoming a member of their Outreach Committee. We will meet next month. This presents us the opportunity to update and enhance our "Eroticizing Safer Sex" component of HHH and partnership build with other outreach workers.

NOTE: Other time not accounted for above was spent in Comp. Time for college finals week.

RE: January 1992 Activity Report

Please find my Detail Activity Report for the month of January 1992 for your review and information.

The major highlights of the month were:

A. Partnership building with San Francisco AIDS Foundation, Stop AIDS, the Afro-American Interfaith Alliance on AIDS, and Relapse Network Committee,

B. Partnership building and planning meetings with Afro-American Service Providers Meeting hosted by Reggie Williams and Tenderloin AIDS Resource Center

C. Partnership building and Youth Focus with Lavender Youth Recreation and Information Center (LYRIC) Advisory Board Meeting, and the Adolescent and HIV Coalition Meeting,

D. Information booth and "Hot, Horny, and Healthy" Playshop at Steamworks

E. Planning meetings regarding National Black Gay & Lesbian Leadership Conference workshops with William Rogers of Bay Positives and Vincent Faqua and Marilyn of LYRIC

F. "Hot, Horny, and Healthy" Facilitator's Training Wedge Training

512070

Detailed Activity Report For January 1992

January 3 - Completed a follow-up with Irene Wysocki, Volunteer Coordinator, San Francisco AIDS Foundation about the possibility of BAHSES recruiting volunteers at her Volunteer Orientation Training. I sent her a letter with all of the volunteer opportunities and requested confirmation of our speaking engagement in March. This effort will present us with an opportunity to increase our volunteer pool.

January 6- Met with Tommy Huie of Stop AIDS to discuss how BAHSES could assist him in outreach efforts and strategies in the Afro-American community. There are strong possibilities of doing future joint outreach collaborations.

January 7 - Typed BAHSES Education Department's activities for February for "BAHSES News"

January 7 - Attended the Lavender Youth Recreation and Information Center's (LYRIC) Advisory Board Meeting. I was invited because of my involvement in the African American youth community and was solicited to offer my experience. As a member I will have the opportunity to partnership build with not only LYRIC, the leading (if not only) gay, lesbian, and bisexual youth positive support and recreation agency, but with other youth service providers also..

January 7.- Staffed an information booth at the Steamworks in Berkeley. Various questions were raised about oral sex, lubricants, and allergic reactions to nonoxynol-9. Most popular items were condoms and lubricants. Clients were pleased with our variety and were appreciative of our efforts.

January 9 - Attended the Afro-American Interfaith Alliance on AIDS (AAIAA) meeting to discuss our involvement with them and their "Who is my neighbor?: African American Church Response to AIDS" conference. on February 29, 1992 I offered to help obtain and collate lists of Afro-American churches and service providers I also discussed the possibility of providing an information table at the conference. The list I help consolidate can be used for future BAHSES events.

January 10- .Hosted Relapse Meeting. Discussed National Lesbian and Gay Health Foundation Conference, July 9-12, 1992 in Los Angeles. The main focus of this conference is relapse issues. We also reviewed our units of service (deliverables), continuing the relapse contract, and a city-wide relapse outreach day. I took the minutes, typed them, and distributed them to all of the attendees.

January 11 - .Set-up and co-facilitated our Volunteer Orientation. Volunteers were presented BAHSES history, introductory packets, volunteer opportunities, and were introduced to BAHSES staff. Considerations for future volunteer orientations is being discussed.

January 13 - .Met with William Rogers of Bay Positives to discuss the possibilities of him speaking at our "Youth and AIDS" workshop at the National Black Gay and Lesbian Leadership Conference. We also discussed the possibilities of co-facilitating a support group for Afro-American HIV positive youth, conducting HHH playshops for Bay Positive youth, and providing them with BAHSES literature.

January 15 - .Met with Vincent Faqua of LYRIC to discuss his participation in our "Sexual Minority Youth" workshop at the National Black Gay and Lesbian Leadership Conference. Also discussed the possibilities of future collaboration with LYRIC such as "Hot, Horny and Healthy" trainings and youth support groups.

January 16 - .Attended BAHSES Education Department's "Hot, Horny, and Healthy" Facilitator's Meeting. Introduced attendees to Teresa Brown-Scott, "BAHSES News", BAHSES-East, and discussed renewing commitments and upcoming events.

January 18 - Co-facilitated a "Hot, Horny, and Healthy" playshop at Steamworks in Berkeley. This was a very successful workshop. All of the participants were involved, asked questions, and agreed to stay over-time to address their concerns. Testing was a primary focus.

January 22 - Attended the Afro-American Service Provider's Meeting. This meeting was very beneficial because virtually all of the Afro-American service providers were present and presented their priorities and services. Now we have a current Afro-American service provider list.

January 22 - Met with Michael DeMarco of the Tenderloin AIDS Resource Center. Discussed the possibilities of co-facilitating an "Eroticizing Safer Sex" series which would include individual workshops on safer sex activities like massage, sex toys, S&M (light), negotiating safer sex, erotic videos, and others. We will schedule future meetings to discuss it further. Also discussed outreach efforts in the Tenderloin and future outreach collaborations.

January 23 - Attended Adolescents and HIV Coalition meeting. Discussed collaborative efforts to assist the San Francisco Unified School District in deciding whether or not to permit condom distribution in public schools and which schools to target. A draft resource guide on youth sensitive HIV testing and services for HIV positive youth and a youth campaign's youth testing poster was distributed.

January 24 - Co-facilitated a "Hot, Horny, and Healthy" playshop. This workshop was well attended. There were people of color and two women. Participation and feedback from the attendees were good.

January 25-26 Co-facilitated a "Hot, Horny, and Healthy" Facilitator's training. Enthusiasm, dedication, and participation of the attendees were good. Training was very successful.

January 27, 29, & 31 - Attended the Wedge Program's "Peer Educator's Training." This training covered strategies on how to educate youth about HIV/AIDS, homophobia, suicide, and emotions surrounding HIV/AIDS. This was one of the most beneficial trainings I ever attended. The skills I've learned in the training will be implemented and utilized in our future youth component.

NOTE: Overall, a lot was accomplished due to my hours being increased for two weeks and comp. time put in. Goals to do more collaborative efforts with youth, church, and volunteer recruitment have been met.

RE: February 1992 Activity Report

Please find my Detail Activity Report for the month of February 1992 for your review and information.

The major highlights of the month were:

- A. Partnership building with San Francisco AIDS Foundation, Relapse Network Committee, Afro-American Interfaith Alliance on AIDS (AAIAA) and People of Color AIDS Advisory Board Committee
- B. Partnership building and Youth Focus with Lavender Youth Recreation and Information Center (LYRIC) Advisory Board Meeting, and Youth Advocate's Teen HIV Program
- C. Information booth at AAIAA's "Who's My Neighbor?" Church and AIDS Conference and "Hot, Horny, and Healthy" Playshops at LYRIC's Group Facilitator's Training and Alpha Phi Alpha's AIDS Conference at San Francisco State University
- D. Planning meetings regarding National Black Gay & Lesbian Leadership Conference workshops with William Rogers of Bay Positives, Vincent Faqua and Marilyn of LYRIC, and Tracey Abernathy of Youth Advocate's Teen HIV Program
- F. Workshop presentations at the 5th Annual National Black Gay and Lesbian Leadership Conference and Institutes.

512070

Detailed Activity Report For January 1992

February 1 - Met with Vincent Faqua and Marilyn McNeal of Lavender Youth Recreation and Information Center (LYRIC) to brief them on their role in the "Acknowledging Sexual Minority Youth" workshop at the 5th Annual National Black Gay and Lesbian Leadership Conference and Institute. I provided them both with prepared presentations for delivery. This effort was beneficial because BAHSES now has internal ties with LYRIC.

February 5- Attended LYRIC's Advisory Board meeting. Agenda included discussion of their 1991-1992 budget, process and procedures for meetings, and new internal programs: HIV Prevention and Education Services and Lesbian Youth Project. Attending these meetings show our commitment to the gay, lesbian, and bisexual youth community. Also, attending these meetings provide us with the opportunity to provide LYRIC with support and education services.

February 8 - Facilitated a "Hot, Horny, and Healthy" playshop for the Alpha Phi Alpha Fraternity's Regional AIDS Conference at San Francisco State University. My AIDS 101 was so successful that all of the other agencies training combined their groups with mine for our safer sex component. BAHSES also was the only agency that provided an information table. This was an excellent opportunity to educate Afro-American students.

February 13-16 - Attended the 5th Annual National Black Gay and Lesbian Leadership Conference and Institute. This conference was enlightening, educational, and empowering. This conference was a wonderful opportunity to network and obtain valuable information and resources for internal use at BAHSES.

February 13 - Coordinated and facilitated a "Youth and HIV/AIDS" workshop at the 5th Annual Black Gay and Lesbian Leadership Conference and Institute. I provided the attendees with two HIV+ young adults and an experienced teen counselor with Youth Advocates Teen HIV Program to discuss their experiences. This was one of the most informative and important workshops offered in the AIDS Institute. Evaluations were very positive.

February 15 - Coordinated and facilitated the "Acknowledging Sexual Minority Youth" workshop with Vincent Faqua and Marilyn McNeal of LYRIC. This was one of the only homosexual youth workshops offered at the 5th Annual National Black Gay and Lesbian Leadership Conference. Feedback was good and attendees were moved to address young gay, lesbian, and bisexual youth in their community.

February 19 - Attended the People of Color HIV/AIDS Advisory Committee meeting. Discussed the "HIV Incidence and Prevalence in San Francisco 1992 Summary Report." Also discussed the new Cultural Proficiency Questionnaire, which is an instrument that will test agency capability and sensitivity in providing culturally sensitive services. This will be conducted in addition to the contractual monitoring done annually by the S.F. AIDS Office.

February 21 - Hosted and took notes for the Relapse Network Meeting. Discussed AIRES of Seattle, a 1-800 anonymous phone support group service, and their proposal to come visit us and discuss how we may collaborate. They would like us to provide them with relapse materials, marketing skills in San Francisco, and referrals and they would like to provide us with potential clients. This is worth exploring because AIRES can share their experience on how to reach gay men who need services but don't want to be visible. Also discussed planning for next fiscal year's Relapse contract and the possibility of having a "100% Covered Day" in San Francisco. We plan to have a city-wide maintenance and safer sex bar zap some time in June.

February 23 - .Facilitated a brief "Hot, Horny, and Healthy" playshop for LYRIC's Group Facilitator's Training. Trainees were very enthusiastic and wanted more information. I have been requested to come back and do a more extensive HHH next month and possibly more HHH playshops and trainings in the future.

February 26.- Confirmed with Irene Wysocki BAHSES' volunteer recruitment engagement at the San Francisco AIDS Foundation's Volunteer Orientation Training. Also, talked with Dave Robb, who helps put out a monthly agency listing to prospective volunteers. He has agreed to add BAHSES to the listing. Both of these opportunities are excellent opportunities to increase our non-paid staff pool and increase our in-kind services for grant considerations.

February 26 - .Participated in a Sex With a Twist (S.W.A.T.) bar zap at the Pendulum's "Mr. Leather 1992" contest. This was a great opportunity to show our support and visibility in the gay and leather community.

February 27 - .Participated in a S.W.A.T. bar zap at the Pendulum's 23rd Anniversary Party. Distributed condom packets which included various condoms, referrals, and a lubricant. Patrons were appreciative and inquisitive about safer sex. This event was a success.

February 28 - .Attended the Young Men's Survey Community Advisory Committee. Danny Givertz, Project Coordinator, asked me if I would serve on his committee because of my experience in working with high-risk men of all ages and wanted my feedback on

questionnaire design, street/bar/club recruitment, delivery of prevention services, and linkages to other youth services. After attending meeting, I've decided BAHSES's involvement wouldn't be necessary and that there were no prospects for service delivery.

NOTE: Planning meetings and partnership building provided beneficial this month. These efforts resulted in workshops at the AAIAA Church and AIDS conference, Alpha Phi Alpha Fraternity, the 5th Annual National Black Gay and Lesbian Leadership Conference, and LYRIC's Group Facilitator's Training. These efforts also produced opportunities for volunteer recruitment. Plans to reach churches, high-risk youth, and students have been actualized.

RE: March 1992 Activity Report

Please find my Detail Activity Report for the month of March 1992 for your review and information.

The major highlights of the month were:

1. Coordinating BAHSES's social outing to see "Heartstrings" performance.
2. Information table at Steamworks in Berkeley
3. Information table at the AIDS Memorial Quilt Display at the San Francisco Fashion Center
4. Partnership building with Relapse Network, Lavender Youth Recreation and Information Center's Advisory Board, and Department of Public Health
5. Planning meeting with National Task Force on AIDS Prevention and the S.F. Black Coalition on AIDS's African American Service Providers Meeting
6. Monitoring Protocol for AIDS Office
7. Stocking Education and Outreach Department's materials and kits.

512070

Detailed Activity Report For March 1992

March 2 - Met with Ruth Henry of the STD Education Unit of the Department of Public Health to obtain some condom key chains. There is a possibility that we may obtain more free condom key chains in the future to be given as prizes for our "Hot, Horny, and Healthy" playshops.

March 4 Obtained free tickets to the musical extravaganza "Heartstrings" and decided to offer them to BAHSES staff as an office outing. Coordinated a sign-up sheet and facilitated BAHSES's contact booth at the event.

March 5 Co-facilitated a Hit Table at the Steamworks in Berkeley. I gave on-site training to Thomas Hajjar about our objectives while at Steamworks. Coincidentally, this educational effort was successful. We answered several questions regarding the variety of condoms and lubricants and recruited a volunteer. We also provided Steamworks with BAHSES Newsletters and announcement of upcoming events.

March 9 - Recruited volunteers to staff our Information Table at the AIDS Memorial Quilt Display at the Fashion Center.

March 11 - Attended the Lavender Youth Recreation and Information Center's (LYRIC) Advisory Board Meeting. Discussed LYRIC's history and plans to terminate Operation Concern as their fiscal agent. Also discussed future plans to relocate and work on the gay, lesbian, and bisexual youth center.

March 13 - Attended Relapse Network meeting at the San Francisco AIDS Foundation. Discussed our plans to consolidate our agency efforts into more of a collaboration. Our focus for the next contract is relapse prevention/intervention case management.

March 13 - Set up and facilitated an information booth at the AIDS Memorial Quilt Display at the San Francisco Fashion Center. This was a wonderful opportunity to recruit volunteers, distribute education materials, and be visible.

March 16 - Completed the Relapse Grant monitoring protocol from the AIDS Office. The protocol shows that BAHSES has exceeded its deliverables and is interested in continuing the grant to do more work in sexual relapse issues.

March 18 - Completed inventory of our education materials and discovered we were low. Requested service providers to provide us with more complimentary copies of brochures and have completed a request form for those materials that are highly effective but aren't free.

March 18 - Attended the National Task Force on AIDS Prevention and the S.F. Black Coalition on AIDS's Afro-American Service Providers meeting. This meeting was called to complete collecting information about various African American service providers. This information will be consolidated into an African American information and referral guide.

RE: April 1992 Activity Report

Please find my Detail Activity Report for the month of April 1992 for your review and information.

The major highlights of the month were:

1. Partnership Building with the San Francisco Department of Public Health's AIDS Office, Pendulum, Eagle's Creek, and Motherlode.
2. Partnership Building and Informational Booths with the Lavender Youth Recreation and Information Center Stanley Parker., and Glide Memorial Church
3. Partnership Building and "Hot, Horny, and Healthy" Workshop with the Lavender Youth Recreation and Information Center

512070

Detailed Activity Report For April 1992

April 8 - Attended a brief interview training offered by the San Francisco Department of Public Health's (SFDPH) AIDS Office. After the training, our interview panel interviewed the first candidate for the Young Mens Survey's Community Health Outreach Worker (C.H.O.W.) positions. The training and experience were great opportunities to gain interviewing skills and to partnership build with the SFDPH AIDS Office.

April 11 - Facilitated a "Hot, Horny, and Healthy" playshop for the Lavender Youth Recreation and Information Center. I modified the HHH to be youth specific. I provided youth specific materials, condoms, lubes, and condom key chains. Participation and interest were good. The information I shared will be used for their support groups. They really appreciated BAHSES's sensitivity to young adult gay men needs.

April 13 - Lee, Thomas, and I met with Phillip Boyd, Cable's Reef chief bartender, to discuss bar zaps, condom distribution, and BAHSES services for its patrons. He was very receptive and assured us that we'd have the owner's full cooperation. Thomas and I are currently working on follow-up efforts.

April 18 - Thomas Hajjar and I staffed an information booth at Stanley Parker's AIDS Project of the East Bay (APEB) Fundraiser at the Thunder Bay Club in Berkeley. This was an opportunity for us to partnership build with both Stanley and the APEB and outreach in the African American gay and lesbian communities. We talked with other HIV/AIDS projects that were there and will be doing partnership building with them in the future. The information table was successful. The most popular items were the 100% pins, S.W.A.T. cards, flavored condoms, and flavored dental dams. Many didn't know about non-oxynol 9. Lastly, interest was raised about our services and workshops. John Petrak, Owner of Thunder Bay, requested us to conduct hit tables and would like posters, brochures, and flyers.

April 22 - Conducted Bar Zaps at the Motherlode, Pendulum, and Eagle's Creek. Met with Dave, the Motherlode's owner. Discussed BAHSES programs, gave him a dispenser with our brochures and newsletters, flyers of upcoming events, and condoms. He said he wouldn't mind paying for flavored condoms and has requested us to price an order of 1000. He has also requested weekly meetings with us and wants to do fundraisers for us in the future. The Pendulum now has plenty of condoms and our brochures and newsletters are O.K. At the Eagle's Creek, I distributed condoms and brochures. Patrons were very receptive of our efforts.

April 24 - Coordinated and staffed an information booth at the Glide/Goodlett AIDS Project's Health Fair in Boedekker Park. Outreach efforts were successful. Most popular items were 100% safer sex buttons, bleach, lubes, and condoms. We may want to consider purchasing bleach for our outreach efforts. This was also a great opportunity to partnership build with the other AIDS service providers present and promote BAHSES.

April 25 - Staffed a thorough information table at the Lavender Youth Recreation and Information Center's dance. Provided BAHSES literature, condoms, lubes, and 100% buttons. I also provided condom key chains and STD information obtained from the SFDPH STD clinic. Most popular items for these young adults were the colored, flavored, Rough Riders, and Lifestyle condoms, and the 100% buttons. This was our first young adult specific information table and it was successful. LYRIC was very grateful and may request us to provide information tables for them in the future. The African American youth expressed their need for an Afro-American youth specific space to meet. Currently there aren't any and the only option for young gay or lesbian Afro-Americans is to join European American groups.

April 29 - Sat on the SFDHP AIDS Office interviewing panel to interview potential candidates for the C.H.O.W. positions for the Young Gay Men's Survey. This was an opportunity for me to gain good interviewing skills.experience.

NOTE: Efforts to reach transgender/crossdressers, youth and partnership build with San Francisco and Oakland agencies were successful. I obtained free training and experience in interviewing. I also accessed the possibilities of Motherlode doing weekly and annual fundraisers for us.and because he has agreed to purchase his own condoms, have saved BAHSES some money.

RE: May 1992 Activity Report

Please find my Detail Activity Report for the month of May 1992 for your review and information.

The major highlights of the month were:

1. Partnership Building with the San Francisco Department of Public Health's AIDS Office and the Cheater's Motorcycle Club
2. Partnership Building and HIV Informational Booths with the Bay Area Sports and Health Expo. and Cabel's Reef
3. Speaking Engagement at BAHSES East Promotional at Darrell and Vincent's Home in Oakland
4. Workshop at the Steamworks in Berkeley
5. Bar Zaps at the Pendulum, Eagle's Creek, and Motherlode

512070

Detailed Activity Report For May 1992

May 1 - Helped complete the final interviewing of potential candidates for the Community Health Outreach Worker (CHOW) positions for the Young Men's Study. This again was a great experience, good practice in interviewing, and another opportunity to partnership build with the San Francisco Department of Public Health's AIDS Office.

May 2 - Coordinated, staffed, and supervised volunteers at the Bay Area Sports and Health Exposition 1992. BAHSES was the only AIDS service provider there. Most popular items were the large and flavored condoms, 100% pins, lubes, and our brochures. This event was a major success. I collected \$13 in voluntary donations and recruited one volunteer.

May 3 - Facilitated an African American gay men's group at a social at Darrell and Vincent's house of Oakland. Introduced them to BAHSES East efforts and ` them for possible volunteer opportunities. Participants voiced their concerns and issues around HIV/AIDS and the lack of services available. This group felt they weren't informed about the services available or how they might be able to help. Others expressed a need for alternative settings to meet outside the club circuit to discuss HIV/AIDS. Over 30 individuals signed up indicating an interest in becoming a volunteer in some area of programs and services. This group was excited about BAHSES and some requested us to do more speaking engagements in homes. Overall, this event was a great success.

May 7 - Created a "Sexual Relapse Workshop" and presented it at the Steamworks in Berkeley. This was a supplement to the "Taking Your Workshop to Your Bedroom." relapse workshop. Mark Dash thought the workshop outline was great. Although encouragement and outreach was done to get participants in the workshop, only one showed interest.

May 8 - Provided condoms, lubes, and BAHSES upcoming event flyers to the Motherlode, Eagle's Creek, and Pendulum bars. Patrons were appreciative.

May 11 - Newfie of the Cheaters Motorcycle Club requested condoms and HIV/AIDS literature for its upcoming "Camp Disney '92 - A Cheaters Weekend Run" May 22 - 25th. BAHSES provided the group with 100 various condoms, 120 various brochures, 20 of each of our upcoming events and services flyers. They were very grateful and will consider doing joint efforts and utilizing our services in the future. I am currently in the process of obtaining feedback from the group and their event.

May 13 - Staffed an informational booth at Cabel's Reef bar in Oakland. This was our first effort to re-establish outreach efforts and partnership building in the Eastbay. Everyone was receptive and appreciative of our efforts. Most popular items were Maxx condoms, flavored condoms, and 100% pins. Questions were raised about oral sex and coping with loss. A request was made to provide literature and dental dams for lesbians.

May 20 - Staffed an information booth at Cabel's Reef. I've observed that the time of outreach may have to be changed from 9-11pm to 10pm-12am. to reach more patrons. Nevertheless, outreach was good for the time invested. Questions were raised about condoms, brochures, church and religion, and dental dams.

May 27 - Staffed an informational booth at Cabel's Reef in Oakland. Outreach efforts were successful due to changing the hours later in order to reach more patrons. Management and staff at Cabel's are pleased with this time adjustment. Questions were raised about nonoxynol 9 and condoms. The flavored condoms and 100% pins were the most popular items. At each informational booth I ask patrons to taste the flavored condoms to show how good and safe they are.

NOTE: This will be the last monthly submitted from me under the Relapse grant. Previous reports and the monitoring protocol will show that my involvement with this grant has been a mutually rewarding and successful experience.
