Communities United Against Violence
Attn: Mr. Greg Merrill
514 Castro Street
San Francisco, CA 94114

Dear Greg:

This letter is to thank you for providing me with wonderful resources regarding male domestic violence. It is such a hidden, taboo subject that warrants more attention that it has received. Thanks to your resources, I not only was able to present a successful class presentation on male domestic violence and enlighten my classmates but received an "A" in the course.

This letter is also to provide you with some of the resources I promised you. Enclosed please find our Bay Area HIV Support and Education Services (BAHSES) brochures, some flyers on BAHSES upcoming events, and our agency poster.

Again, thank you for your support and dedication to a big problem in our community.

Sincerely,

Clarmundo M. Sullivan

Dear Marilyn:

This letter is to say how much of a pleasure it was to talk with you about our "Sexual Minority Youth" workshop. I am excited to know that you want to become involved in the first youth workshop the National Black Gay and Lesbian Leadership Forum has ever had.

I am elated about the opportunities this conference has to offer you. Because you will co-facilitate my workshop there is a possibility that the \$110 conference registration fee may be waived. There is also the opportunity for you to gain visibility and contacts from Afro-American lesbian women and gay men from all over the country! What an opportunity to share what LYRIC and your new program is about. Also, this conference presents you with an opportunity for personal growth as well.

Please review the enclosed conference flyer and Bay Area HIV Support and Education (BAHSES) brochure. This will give you more detailed information about the conference and BAHSES. I have also enclosed one of our new posters.

Again, it was wonderful speaking with you, good luck on your project, and I will be contacting you soon about the next workshop planning meeting.

Sincerely,

Clarmundo "Michael" Sullivan

Dear Alane,

We would like to take this time to thank you for assisting us on Sunday, February 2, 1992 in our Safer Sex segment of the fundraiser held at the New Eagle Creek Saloon. Your presentation was informative, creative and dynamic. The fact that you are female added a nice flavor to our presentation. The message was particularly appreciated by the women in the audience, as well as the men.

Again, thank you. As mentioned in conversation before, we look forward to working with you in the near future. Please feel free to contact us at 749-6714 if we can be of service to you in your endeavors.

Greetings:

Sorry to be so long in responding to your letter of August 15th. I have been out of town more than usual lately.

Your East Bay expansion plans are something in which we would be happy to participate. To this end we are able to contribute to you the sum of \$6,000.00 which we would like to send to you at the rate of \$2,000.00 per month beginning with this letter (first check enclosed) and then send \$2,000.00 on the 15th of October and the 15th of November. If there is a real need to have all the money at one time, that could be arranged.

We appreciate our continuing relationship with you and the services you are providing in the East Bay.

Yours truly,

David I. Clayton
