Dear Ernesto:

I am writing to you once again regarding the HIV/crack project. Enclosed are drafts of the materials we have been working on. First, there are xerox copies of 5 different poster designs. The second enclosure is a draft of the text for the brochure.

Please remember that these are rough drafts and that the final products will end up being of a much higher (i.e., finished) quality. The purpose of these drafts or mock-ups is to give a general idea of what the materials might look like when complete. The photographs used are for draft purposes only and will not be used in any final product.

At the next group meeting we will discuss these drafts and make some decisions about finalizing this project. The original, full-color, full-sized mock-ups will be used at the meeting. There will also be reports from the focus group. If you can not be at the meeting please try to forward your comments either through me or some other group participant.

I hope to see you at the next meeting, which is:

Monday, February 25
1:30 - 3:30 PM
3rd Floor Conference Room
25 Van Ness Avenue
San Francisco

If you have any questions or comments please call me at 864-4376, extension 2040.

Sincerely,

Les Pappas
Assistant Education Director
