August 4, 1983

Mary Eschete, M.D.
Infectious Disease
South Louisiana Medical Center
1978 Industrial Boulevard
Houma, LA 70363

Dear Dr. Eschete:

Smith Kline & French Laboratories is pleased to confirm the following speaking engagement:

SPEAKER:	Connie Wofsy, M.D. Co-Director, A.I.D.S. Clinic San Francisco General Hospital 1001 Potrero Avenue San Francisco, CA 94110 (415) 821-8830 or 8494
TOPIC:	Acquired Immune Deficiency Syndrome
DATE/TIME:	September 23, 1983 -- 1:30 p.m.
LOCATION:	Ramada Inn Tunnel Boulevard Houma, LA 70360
SPONSORING ORGANIZATION:	Terrebonne General and South Louisiana Medical Center
SK&F REPRESENTATIVE:	Mr. Joe Bosworth (504) 868-9759

Please contact the speaker with specific program details, request a curriculum vitae and discuss audio visual needs.

Honorarium and expenses will be paid directly to the speaker by Smith Kline & French Laboratories.

Please feel free to call me or your SK&F Representative if we can be of further assistance.

Sincerely,

Sally A. Turnbull

Dear Ms. Fanelli:

I am enclosing the itemized expense sheet for my recent trip to the New Orleans area. I would greatly appreciate it if you would issue two checks: one for expenses which should be reimbursed direct to me, "Constance B. Wofsy, M.D.," and a check for the honorarium which should be issued to "The General Foundation for Medicine."

Thank you for your consideration.

Sincerely,

Constance B. Wofsy, M.D.

RE: Attending coverage

Chuck, thank you so much for covering for me while I was out of town. I had not intended that you write non-ICU notes, but it was a welcome treat not to have to do them. If I can reciprocate another time I will do everything I can to do so.

Accreditation Council for Continuing Medical Education

CONFERENCE THEME:

The recent appearance and exponential growth of the Acquired Immune Deficiency Syndrome (AIDS) in the United States and other countries has spurred The New York Academy of Sciences to convene a Conference bringing together scientists and physicians from a variety of disciplines to share what is now known of the causes, pathogenesis, management and treatment of the disease. Current investigations will be described in virology, immunology, clinical medicine, carcinogenesis, epidemiology and molecular biology. However, the problems of AIDS are not only scientific but interface with legal, social, psychosocial problems and public health issues. These will also be explored. It is the Academy's experience that bringing together diverse information and key investigators will assist in the necessary interdigitation of research efforts.

If you plan to attend this Conference and would like your **PRE-REGISTRATION** confirmed in writing, please complete and return the top portion of this form **no later than**

November 1, 1983 to:

The Conference Director
The New York Academy of Sciences

INFECTIOUS DISEASES SYMPOSIUM DESCRIPTION

This program will bring together a panel of experts who will present a comprehensive review of infectious diseases for physicians, epidemiologists, and microbiologists. Teaching methods will include lectures, roundtable seminars, and question and answer sessions.

The educational goal of this program is to familiarize the participants with current management and prevention of infectious diseases.

CONTINUING EDUCATION CREDITS

This program is presented by the Bay Area Infectious Diseases Society and the Department of Medicine, Letterman Army Medical Center, San Francisco. Provided by Letterman Army Medical Center
Physicians: 10 hours Category 1 of the Physician's Recognition Award of the American Medical Association and the Certification Program of the California Medical Association.
Nurses: 10 contract hours
Microbiologists: 10 hours acceptable credit

GENERAL INFORMATION

Enrollment is limited to 300 persons. Participation in Round Table Discussions will be on a "first-come" basis.

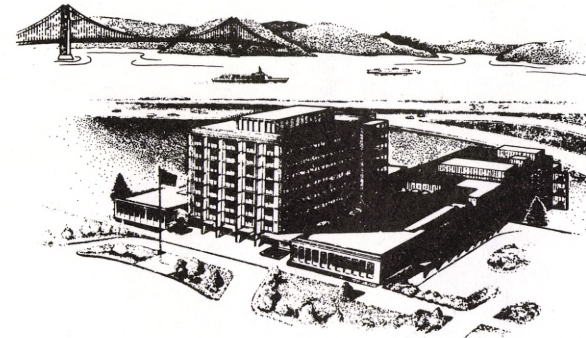

Non Profit Organization
U.S. Postage Paid

5H22, San Francisco General Hospital
1001 Potrero St.
San Francisco, Ca. 94110

Dear Dr. Wofsy:

Thank you for agreeing to participate in the symposium sponsored by the Bay Area Infectious Disease Society and Letterman Army Medical Center to be held in November in the LAIR Auditorium at the Presidio.

Your presentation is scheduled for 10-10:45 am, Thursday, November 17 on the subject of AIDS. The audience will consist of nurse epidemiologists, bacteriology/microbiology personnel, internists, pediatricians, and general practitioners.

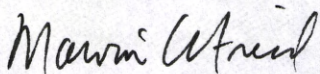

On the same day you are also scheduled to give a round table discussion with Steve Follansbee at 2-2:45 pm on "Infectious Diseases in the Gay Patient." For this session, we would anticipate a combined formal presentation for 20-30 minutes and the remainder of the session for questions and answers and discussion. However, the format is completely at the discretion of the pairs of discussants.

We are preparing to print the brochure for wide distribution throughout several Western states. It would be helpful if I could receive your syllabus material by August 15 to meet printing deadlines. Please mail this material to me at Kaiser Hospital, 2200 O'Farrell Street, San Francisco 94115 by that date. Also, please note how you would like your name and title to appear on the program.

If you have any questions or problems with the schedule, please call me as soon as possible at 924-5890 (home) or 929-4773 (office) or, since I will be out of town July 7 through August 16, Doug Haak at 933-3435.

Again, I would like to express my appreciation for your participation in the symposium.

Sincerely,

Marvin A. Freid, M.D.
Program Coordinator

DATE: December 1, 1983

FROM: Connie Wofsy, M.D.
RE: Honorarium - Eden Hospital

I am enclosing the U.C. check for \$175. which was dual payment for the Eden Hospital Conference. It came without any identification regarding what it was for. I am concerned only that the whole entry be eliminated from my total earning so that I am not taxed on \$1500. while receiving \$250. When convenient, would you confirm that this amount has been eliminated from my payroll account. Thank you.

P.S.

Please note honorarium statement attached to check for the amount of \$250.

Re: Aids Symposium - Eden Hospital

As you may recall, Eden Hospital and our office had duplicated our efforts and the faculty of the Aids Symposium held on October 19th. received a check from Eden Hospital as well as a check from the University. Per our conversation, you were going to return the University check to us. I have not yet received the University check back and would appreciate your cooperation in looking into this matter for me. The check would have been in the amount of \$250.

Thank you for your assistance. If there is a problem, please call me at extension 4251, MWF.

Dear Doctor Wofsy:

Extended Programs in Medical Education and Eden Hospital of Castro Valley wish to thank you for your anticipated participation in our AIDS Symposium. The conference is scheduled to be held on October 19, 1983 at Eden Hospital, 20103 Lake Chabot Road in Castro Valley from 5:30 - 9:30 p.m. Please review the enclosed preliminary program for the scheduling time of your lecture.

The audience will be the medical staff of Eden Hospital, which is composed of general practitioners, surgeons, internists, family practice physicians, and a variety of specialists. If you have any questions concerning the level at which your talk should be geared or any questions about the staff at Eden, please contact Doctor Jay Protass, Director of Continuing Medical Education at Eden Hospital at 537-1234.

You will receive a \$250 honorarium, which is to include all travel expenses. The medical staff would like a syllabus of your presentation. If you submit this to Extended Programs in Medical Education at least two weeks prior to your presentation we will have it reproduced for you. Please return the enclosed check sheet as soon as possible so that your honorarium can be processed quickly upon completion of the conference. If you have any questions, please don't hesitate to give us a call at extension 4251.

Sincerely,
