Dear Selma:

Congratulations to you from all of us in the AIDS Activity at CDC. I am sure that you will apply the same high degree of energy to your retirement activities as you have to communicable disease control and AIDS. Dean will have quite a task in filling your shoes.

Thanks for the valuable advice and enthusiastic collaboration on AIDS.

Best personal wishes.

Sincerely yours,

James W. Curran, M.D., M.P.H.
Director, AIDS Activity
