

①

Dear Sir

In answer to your
little missive. I am really
not doing well at all, because
I have some many things
on my mind. I can't cope
with the world and the
little things around me.
I left S.F. because I didn't
like the ideal of my man
going out and making love
to someone I knew. That
really hurt me. I have a
place here call

Most likely
I will be there before the
summer is over with if
I don't stop putting myself
through ~~these~~ changes. God knows
I have been through hell

(2)
all my life. I can't sleep
now. I love my ex-old man
(the one I left in S.F.) It is a
guy here who has love
me for two years. Uncle
I told him that I am
no good for him or
myself. If I didn't kill
myself he might do
it, but I am going to
hold on as long as I
can. I really don't
you for taking time to
drop me this note. I
really need help, before
I ~~crash~~ - up. If you know
