Comment (if desired):

I'm fine. Have a new car, and a new apartment in [REDACTED] with a swimming pool. My main problem at the moment is finding a home for my beautiful fluffy gray cat who is not desired by the Owners of my new apartment. I have had her for five years and it is very sad to part with her, and I must find a congenial home for her. She is used to much love and affection and I guess the Buddhist chant of "Nam Myoho Renge Kyo", for she has not adjusted well in the three homes I have placed her in since my move to [REDACTED]. Please let me know if you can assist me with this problem.
