It has been some time since you were at McAuley Institute, and we are very interested in how you are getting along.

We would very much appreciate if you could find the time to drop us a note and let us know if you are seeing anyone for assistance.

Sincerely,

Marvin Gladstein

Are you now seeing anyone for assistance (for example, a psychologist, social worker, psychiatrist, or minister)?

Yes _____
No III

Comment (if desired):

1. Is psychiatry (psychotherapy?) really a valid field if the people who go into it are - if you'll pardon the expression - fucked?

2. Would you be able to recommend someone - or somewhere to go for assistance? ~~Let's~~ McAuley's is out, by the way. Things seem pretty grim.
