It has been sometime since you were here at Presbyterian Medical Center, and we are very interested in how you are getting along.

We would very much appreciate if you could find the time to drop us a note and let us know if you are seeing anyone for assistance.

Sincerely,

Douglas G. Kreider

Comment (if desired):

I continue to have alot of problems. I have been drinking to the point that I am now seeking assistance from AA. I just don't know what else I can do. Realize that I am quite sick but there is no continued help available. I can't afford a psychiatrist and all. I'll try to hold on but what kind of life is that? There is really little hope for me.

Please feel free to call or whatever. I
appreciate your interest.
