Dear Seed Grower:

SUBJECT: ALFALFA CUBING AND WAFERING CONFERENCE - JUNE 2, 1966

On June 2, 1966, the University in cooperation with the California Grain and Feed Association will hold a conference on alfalfa cubing and wafering. This conference will begin at 9:30 with registration set for 8:30 to 9:30 a.m. in Freeborn Hall, University of California, Davis.

Many outstanding speakers will present their views on the development of the cubing and wafering processes, production handling of cubes, distribution and their utilization by beef feeders and dairymen. Cost information and their nutritional value will also be discussed. This conference will be one designed to bring together the segments of the alfalfa cubing industry so that common problems can be discussed.

Sincerely yours,

E. J. Gregory
