William G. Schneeflock
4-H Club Specialist

Subject: INTERSTATE AND INTERCOUNTY EXCHANGE PROGRAMS --4-H

Several requests have come from other states for exchange programs with California counties. We currently have requests from counties in North Dakota, Washington, and Kansas for county exchange programs this year.

Counties within California have also made similar requests in the past.

These interstate or intercounty exchanges are usually of interest to Hi 4-H members. You may wish to discuss this with your county's Hi 4-H Club.

To help these states and counties make contact with counties which are interested in exchange programs, will you please return the enclosed form to me by March 1, 1968. Thank you.

Encl. - 2 per county

Copy: County Directors (letter only)
