According to the plans we made at our October 24 meeting of the Livestock Committee, we have set the date of Wednesday, November 9, for the 4-H - FFA meeting with Chowchilla Junior Fair people. This is to make suggestions and changes for the premium book for the 1967 Fair.

The meeting is at 7:30 p.m., at the Fairgrounds Office; and I think if we could get together for about thirty minutes ahead of this time, we could firm up our own ideas and have some sort of agreement before meeting with the entire group. Johnny has agreed to let us use the Fair Office; so if we can meet at seven o'clock, we will have ample time for our preliminary plans.

See you next Wednesday.

Sincerely,

William R. Hambleton
Farm Advisor
