Sent to: Livestock advisory Committee

Enclosed are the changes we proposed for the Chowchilla Fair Premium Book. According to Johnny Green, these will be presented to the Board of Directors and acted upon as they see fit. We all know what that means. I think we did accomplish a couple of things at our meeting in Chowchilla, at least we are not too much displeased with most of the items in the premium list.

It was the opinion of most of the group at the Chowchilla Fair meeting that we should have a Livestock Advisory Committee meeting, November 22, at 7:30 p.m., in the Farm Advisors Office to set up the plans for the horse show at the Chowchilla Fair and proposed changes in the Fat Stock Sale at the Chowchilla Fair. I think this will be a very important meeting and can have a great deal of influence on the shows in the Spring of 1967.

Please plan to attend and bring lots of ideas.

Sincerely,

William R. Hambleton

1967 PROPOSED CHANGES FOR THE CHOWCHILLA JUNIOR FAIR

ROUND ROBIN

The winner of the Round Robin not be eligible to compete again. The exhibitor can still show and win money in showmanship, but the second place will not be the Round Robin contest.

HORSE SHOW

The 4-H Livestock Advisory Committee will draw up plans for a horse show, in time, to be published in the 1967 Premium Book.

SPECIAL LIVESTOCK CLASS

Class Numbers 136, 137, and 138 under ten and not enrolled in 4-H.

BEEF CATTLE CLASSES

A pair of females--change to owned and shown by exhibitor (both FFA and 4-H classes). Get a sire. (Check with master premium list--would prefer this a three-animal class rather than a four.)

CLASS 103

Section 995 to be added and called a group of breeding animals. (This is to be an addition to Section 993 and 994.)

CLARIFY LOONEY TROPHY

Check with Dan Looney on rephrasing the trophy requirements as found on page 59 of the 1966 Premium Book.

SALE COMMITTEE

Consider weighing steers right after they have been shown in individual classes and use this weight for sale weight. (no shrinkage)

DAIRY HEIFER CLASS

Consider possibility for setting up a special class for replacement sale heifers. This would tie in with the Exchange Club sponsored Springer Heifer Sale at Madera District Fair.

JERSEY CATTLE CLASSES

Consider setting up separate Jersey cattle classes since Butch Conley reports that over 25 head have and will be shown.
