Grub Gulch Area

Committeemen - Harry Baker, Chairman	Alternates - Bill Elam
Jim Kates	Erwin Murray
Joe Ballard	Henry Bohna

To All Control Brush Burn Committeemen and Alternates:

The 1000 acre Preuschoff Control Brush Burn is scheduled for next Saturday, July 28. This burn presents some serious problems that must be considered before Saturday.

Your County Chairman M. Fulmer has asked for another inspection ride of the Preuschoff burn this coming Wednesday, July 25. He would like to have every committeeman and alternate come. It is important that they do.

We are to meet at Jim McDougald's house at 8:00 a.m. and go from there in a group to the Preuschoff burn. You won't need a lunch, as the trip should be over before noon.

Sincerely,

Walter E. Emrick, Farm Advisor
County Director of Agricultural Extension
