TO MADERA COUNTY CATTLEMEN:

The Madera County Cattlemen's Association invites you to attend their annual spring meeting and a livestock range tour on April 13th, 1955 (Wednesday.)

The tour will leave O'Neals (John O'Neals Ranch headquarters) at 9:30 A.M., and will end at the Ahwahnee Farm Bureau Hall at 12:00 Noon. Lunch will be served at the hall. The meeting will be held in the afternoon.

On the tour, you will see some of the results of the Madera County Range Improvement work that has resulted from control brush burning and reseeding. At the meeting, you will hear talks by President Harvey McDougal, and Secretary J. Edgar Dick, of the California Cattlemen's Association. Dave Appleton, of the American National Cattlemen's Association will also address the group.

I am certain that this will be an interesting and profitable day for you. I hope that you will be with us.

Yours very truly,

Walter E. Emrick
