Cooperative Extension

Mariposa County High 4H sponsor Bill Buleza and County 4H Council President Tim Binning display the \$100 donations that each of their respective groups donated to the earthquake relief fund.

Both the High 4H and County 4H Council memberships voted unanimously to donate funds to the earthquake victims from their respective treasuries. "....we can't be there to help these people, but we want to support them in some way...." noted the Council.
