You should have been there! And for the ones who were, **Was It Great or What?** Mariposa's 4H presentation Day turned out to be one of the biggest ever. 4H members from all over our County come to show off their stuff. Posters & Displays had 13 Entries from Gun Safety to Sewing, with the members standing by to answer any questions that the judges may have on their work. Master Food Preserver Sandy Harris and Don Z. Phillips Mariposa Tax Collector had their hands full. Presentations and Demonstrations were just as exciting with 26 Entries. Unlike the Posters and Display the Presentation part of the program is where the 4H member must speak before a large group in the form of speeches, illustrated talks or demonstrations. In addition to a Gold and Silver medal our 4H'er goes home with a pocket full of Self confidence, poise and communication skills as well as how to use visual aids, something we would all like to learn. Presentation judges' were Dave Harris, Barbara Appling, Gary Estep, Sherron Moore, Judy Eppler, Mr. & Mrs. Clyde Wood, Stacy O'Hagan, and Sandra Taber. Without the support of people like these Presentation Day and many other events would not be possible. **Many thanks!!!!**
