New 4-H Projects

Mariposa County 4-H has put Mariposa back on the California map with a new project, Skateboarding. That's right skateboarding! Jim and Suzanne Moore, who own Uncle Bingo's, are the leaders for this great new 4-H project. The project will consist of learning the skateboarding safety rules and equipment, parts of the skateboard, building a skateboard ramp, and hopefully do a skateboard demonstration at the Mariposa County Fair next year. Boys and girls who are 10 years of age and older can join this project.

If you would rather be creative, then one can join the cake decorating project. This project will be led by Doris Wolf. She will have her meetings at the Midpines county building. The members will be taught how to bake a cake and decorate it for different occasions.

Another new project this year is bicycling. The leaders will be Mike Forsythe, and Sheryl Terry. Their plans are to teach the parts of the bike, do safety checks, and of course go on rides.

If you would like to join one or all of these new 4-H projects, go by the CE office which is located at 5009 Fairgrounds Rd., or call the office at 966-2417 for further details on how to enroll in 4-H. Come join the fun!!

The University of California prohibits discrimination against or harassment of any person employed by or seeking employment with the University on the basis of race, color, national origin, religion, sex, physical or mental disability, medical condition (cancer-related or genetic characteristics), ancestry, marital status, age, sexual orientation, citizenship, or status as a covered veteran (special disabled veteran, Vietnam-era veteran or any other veteran who served on active duty during a war or in a campaign or expedition for which a campaign badge has been authorized).

Dear Mr. [Name]

I am writing to you today to express my sincere appreciation for the support and guidance you have provided me throughout my academic journey. Your dedication and passion for teaching have inspired me to strive for excellence in my studies. I have learned so much from your classes, and I am grateful for the opportunity to have you as my professor. Your feedback and encouragement have been invaluable, and I have grown both academically and personally as a result of your mentorship. Thank you for everything you have done for me.

I am also writing to you today to let you know that I have successfully completed my final project for your class. I am proud of the work I have done, and I believe it reflects the knowledge and skills I have gained from your instruction. I am confident that this project will be a valuable addition to the course materials. Thank you for your support and guidance throughout this process.

I am looking forward to continuing my education and to the opportunity to work with you again in the future. I am grateful for the support and guidance you have provided me throughout my academic journey, and I am confident that I will continue to strive for excellence in my studies.
