4-H Invitation to An Ag Literacy Training

Mariposa County 4-H Youth Development Program invites teachers to an Ag Literacy Awareness Training on March 2 at the UCCE Office beginning at 5p.m. This workshop is free and refreshments will be served. Agriculture Literacy in Action is a project of the California Department of Education in collaboration with California Polytechnic State University, San Luis Obispo; the California Foundation for Agriculture in the Classroom; and the California Department of Food and Agriculture's Buy California grant program.

The California Curriculum guidelines for Agricultural Literacy Awareness helps educators create inspiring, hands-on curriculum that encourages students to explore agriculture. The Agricultural Literacy guidelines for grades K-6 provides learning methods that are guaranteed to excite students to learn about the world in which they live and also the answer for meeting the California state standards.

The workshop presenter will be Carolyn Tassey from Merced and she needs at least 10-15 educators at this workshop. If you are interested attending, please call Donna Wice, 4-H Coordinator, at 966-4829 by February 25.
