Fair Time Just Around the Corner

The 4-H members from around the county are preparing their market animals for the upcoming Mariposa County Fair. 4-Hers from the many other 4-H projects such as clothing & textiles, vegetable gardening, food preparation, rockets, and more are also finishing up their projects. Members are anticipating what ribbon they will earn for their hard work they have done all year.

While you are at the fair this year, please take some time to look at all the 4-H youth projects in Building B and in the livestock area. You will be surprised what a great job these young people can do! These members have gained a great life experience that will help them, as they become responsible adults.

We are looking for new 4-H volunteer leaders for the upcoming program year that will begin October 1st. If you like to work with youth and have a special interest to share, please call the UCCE office. We are looking for leaders in animal science, camping/hiking, bicycling, dog obedience, fishing, citizenship, arts & crafts, or what is your expertise in? We are in need of a Community Club Leader for the town 4-H club also. Volunteer leaders need to attend a new leaders orientation, be fingerprinted, and be approved by the County Director before having meetings with youth.

4-H is fun and it is educational for youth from ages 5 to 19. If your children would like to join a youth program with interesting projects from jewelry to meat goats, come by the 4-H Booth at the Mariposa County Fair or contact the UCCE office at 966-4829 for further details.
