4-H Judging Day Slated for February 2

"To Make the Best Better" is the 4-H motto. How can we learn to make something better unless we learn and develop how to make decisions? Decision-making is part of everyday living and what the 4-Hers will be learning on Saturday, February 2 at 4-H Judging Day. This event will take place in Catheys Valley at McCay Hall with registration beginning at 8:30a.m. and judging starting by 9:00a.m.

Judging Day will help the 4-H members improve their ability to observe, recognize, and make decisions by using judging as a teaching tool to recognize quality and express their selection. In judging, members learn to improve their reasoning. Public speaking abilities, as they compare one item with another, will improve while they give oral reasons to judges on their placings. Seeing different qualities in similar items will help members improve their own standards and make wise choices. 4-H members will have the opportunity to earn medals and ribbons plus have a fun, but educational experience. We welcome all 4-H members, leaders, parents, and the community in the fun. If you have any questions, contact Donna at 966-4829.
