

September 10, 1985

To: John Fahey, M.D.
Michael Gottlieb, M.D.
Deane Wolcott, M.D.

Dear John, Mike and Deane,

Enclosed is the draft announcement for the printer of the session (#101 in the series) of the Medicine and Society Forum on Thursday October 17 from 12 noon to 1 pm. Please check the announcement and advise at once if any corrections are needed. We will record the discussion on Videotape, and I will in due course ask you to sign a Release Form for use for educational purposes.

On the occasion I will, after a very brief introduction, call on each of you (perhaps in order Mike, John, Deane unless you wish otherwise) for a brief opening statement (not more than 8 minutes maximum please). Then panel discussion followed by questions from the audience for the last ten minutes or so. If you have any questions please call me.

I would like to invite you and your partner to dinner at the Faculty Center one Tuesday or Thursday evening. I have available Sept. 17, 26, Oct. 8, 10, 15. I will ask my secretary to call so we can find the most convenient evening.

Many thanks,

Sincerely,

Bernard Towers, M.D.
Professor of Anatomy & Psychiatry
Director: UCLA Medicine & Society

Public Cordially Invited

August 5, 1985

Michael S. Gottlieb, M.D.
Professor of Medicine
52-175 CHS

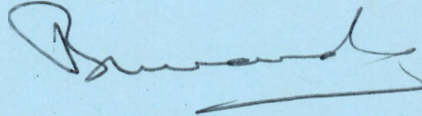

Dear Mike,

Sorry that messages seem to be getting scrambled a bit. I am taking off for vacation today and wanted before leaving to try to make preliminary arrangements for what will be session #101 of The UCLA Medicine and Society Forum from 12 noon - 1 p.m. on Thursday, October 17 in room 13-105 CHS. Proposed topic: UPDATE ON AIDS: THERAPY AND RESEARCH.

John Fahey will be a panelist, and either Fawzy or Deane Wolcott. Would you participate? I will of course be getting back to everyone early in September regarding details. Briefly, we need a brief (5-6 minute) opening statement from each, followed by panel discussion and questions.

Hope your schedule will permit it.

Best,

Bernard Towers, M.D.
Professor of Anatomy & Psychiatry
