VIII. HISTORY: (a) On the 7th day of May following a Farm Bureau Get-Together picnic at Potrero, enthusiastic beemen met and formed a tentative beemen's organization. IX. PROCEDURE: 1. The Farm Adviser will outline in project form the organization of a beemen's department of the Farm Bureau, which shall be submitted to the (a) State Leader; (b) Farm Bureau directors; (c) Potrero and other interested Farm Bureaus for approval. (Completed- (a) may 9 1916

FARM ADVISER PROJECT
Progress Report
Date: November 27, 1916

IX - (4) Very little progress in the organization of the beemen has been accomplished. The beemen, as a whole, realized fairly satisfactory returns for their honey this year and are not, therefore, so greatly in need of an organization that they will easily form one, at least at the present.
