

SCOUTS GET LEADERS

Through the process of recommendations and appointments, the following list of Scouters was announced by Scout Commissioner Mikio Fujimoto to form the Committee of the Merced Assembly Center Scouting organization:

Charles Yamamoto, Sebastopol, 7 years scouting; Dr. Takashi Terami, Walnut Grove 15 years; Jack Noda, Turlock 1 year; Henry Fujita, Petaluma, 10 years; Nobuhiro Kajicka, Cortez, 3 years; Tsuneo Iwata, Turlock, 3 years; Fred Yamamoto, Winters 1 year.

Charles Yamamoto was elected chairman. All the members of this committee have formerly served as chairmen of Scout advisors in their respective communities. They are conscientiously interested in the Youth Movement.

Musical Soiree

The third in the series of music appreciation hours will be presented in the Administration Building Thursday evening at 8:30.

The following program is planned: "Sigmund Spaeth", "Idol Of Seville", "Milady's Escapade", "Tschaikowsky", "Air for G String," and "Brass Choir."

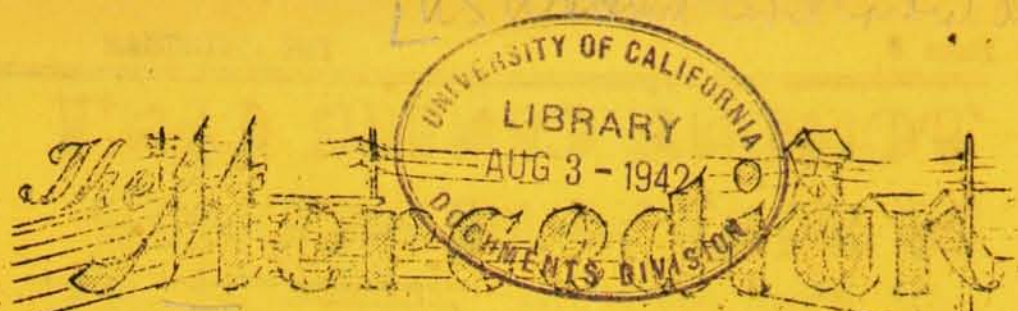

STOP RUMORS

"I heard from a friend who heard from his friends, etc!"

Spreading like a forest fire in July is the unfounded rumors that a train carrying Turlock evacuees to Arizona was derailed by dynamite somewhere along the line, last Saturday, wounding and killing 300 passengers.

The Mercedian submitted the story to Mgr. H. Black for confirmation. His statement on the subject follows:

"This is a sensational rumor, entirely without foundation, in fact. It is the moral responsibility of every citizen to put an end to such disturbing rumors. The facts of life are bad enough without artificial stimulation.

HI-CLASS SHOW

'NO FUN' SAYS DISC CENSORS

How would you like to listen to Japanese music—2,000 of them in a record form. Peppy ones, slow ones and funny ones all the records which were confiscated from the residents by the latest order.

In a barrack adjoining the Administration Building Chief Miyama and his police staff are playing every single record piled up in the corner of the room. English translations are being made and will be submitted to the WCCA for approval.

About 25 per cent of the records are of a military march nature and will not be allowed to be played for the duration. However, the rest of the records will be returned, to the owners as soon as a release has been obtained.

Thousands of Nisei will be unable to say, "it smells and is a flop," after witnessing tonight's star-studded talent show at the Grandstand at 7:30 o'clock.

Feature attraction is the repeat performance of the ballet dance of waltzes which drew a tremendous applause at Thursday's music appreciation hour. Performers in this ballet dance are: duet---Mitsuko Hattori and Seizi Iwamura; Chorus---Pat Suzuki, Sue Kawamoto, Marilyn Yoshiwara, Jané Nakamura, Yoshiye Yamaga, Terumi Uyesugi, Joan Iwamoto and Thelia Dale Thomas. Emiko Mizutani will be the accompanist.

Professor Paul Higaki and his Stardusters---Nob Kuwata, Dave Higaki, Leo Kikuchi, Hank Wada, Paul Sakuma, Ben Kuraya, Leland Nakamura, Miyoko Mizutani, Yoshime Yokohari, Mary Kawashima, Lily Matsushige, and George Hashimoto, will render a few selections.

Boy Scout Troop 39 will dedicate a few numbers to our new barber shop. Singers will be Takao Kakiki, Peter Handa, Harry Fujihara, Johnny Nakabe, Katsuki Matoba, Stanley Yoshino, and Tyler Nakashima.

For the Issei, there are odoris by Sumiye Sasaki, accompanied by the samisen by Mrs. Hayashi, Mrs. Higaki will add a professional touch to her dance.

Other star attractions are vocal solos by Sumi Kawamura, Yuki Akaki, Yaeko Matsuda, Haruye Kakimi, Shigeto Sakamoto, and a guitar selection by James Furukawa and Naomasa Morishige.

The two lovelies, Mary Kobuke and Yuriko Shinozaki, will render a duet number.

BIG TIME MOVIE COMING!

Residents will not have to sit through ancient and obsolete flickers. Five top ranking talkies are coming.

NO TEQUILLA PANTS 'PANCHITO

Will Pancho Villa give up?

That elusive ruffian of the pampas, Pancho Villa's hangout has been discovered by the posse and soon he will be captured, according to sheriff Nihonjin who has been on his trail for nearly a month.

Both the sheriff and the romantic bandit are almost worn to a frazzle. No beer for the sheriff in the wilderness and no tequilla for Pancho have been the dominating factors in the desperate and history making chase.

Some factions believe that the sheriff might be captured by Pancho--sort of a vice versa ideal.

'POMONA CENTER CAN'T BE BEAT' -- NEWCOMER

"If Pomona Center residents had their way, they would rather stay there for the duration than at any other place," commented T. Taniguchi (San Jose) who recently entered Merced Center to join his immediate family.

He made the following comparison which was very much in favor of Pomona:

"Pomona Center grounds are lined with huge shade trees wherever you go, because it is the site of the Los Angeles County fairgrounds. There are more than 5,500 residents. All barracks are 3 steps above ground level equipped with wooden floors."

"The streets are much wider and laid out in a straight line formation you cannot find one speck of paper flying around the streets."

"Hospital facilities are sanitary and fully equipped with instruments and supplies. The toilets are of enamel bowls---just like in the city. The showers have individual valves for mixture adjustments. Brooms and mops are given out as regular attachments to every unit. Inspectors see to it that every barrack is thoroughly mopped daily."

OFFICIAL NOTES

HOSPITAL WARNING

The hospital staff requests that all residents refrain from gathering around the ambulance when it makes emergency calls at barracks. A special warning is given to children because they dart in and out around the ambulance and barracks.

NEW DOCTOR

Dr. Okonogi, transferred from Pinedale, arrived here last week to fill the post vacated by Dr. Iriki. He is in a position to render valuable service here.

HIGAKI'S OFFICE

Dr. Higaki's new official title is Administrative Coordinator, equal in rank to that of Manager Harry Black in relation to administrative policy of the Merced Assembly Center, it was made known.

Bette Sato, who transferred from this center to Tulalake recently has this to say about her new surroundings:

"Reached Tulalake after one full day's ride. It was a very tiring trip so that I couldn't even enjoy the beautiful Shasta scenery. Sounds sad but I slept most of my way through."

"Climate is wonderful, so's food, sanitation and housing--of course it could be better. It looks rather hard to break the ice here. If I don't get a good job, I think I'll have to stick around and catch up on some weight."

"My regards to everybody in the Recreation Dept. and please thank them for all they have done for me."

Signed, Bette Sato

DEAR EDITOR: We, the gardeners on "bended knees," ask that you refrain from throwing papers and matches on the Administration lawns. We want you to know that we are responsible for the appearance of the place and furthermore, we are not working on "piece-work" basis.

P.S.----Speaking of sabotage, take a look at the lawn of the Military Police. One pseudo-gardener washed up the new lawn producing some sad looking bald spots.

TALENT PROGRAM WILL START

Beyond Our Barracks

The following poem in the Santa Anita Pacemaker caught our eye:

"Most little boys like soldiers,
And little girls like painted dolls,
When they grow up, girls like soldiers,
And boys go for painted dolls."

-- Anna Sakaizawa

Santa Anita Boy Scouts conducted a paper drive and the only thing that stopped it was storage space shortage....A marble tournament is planned for both boys and girls.

Art Students held an Art Exhibit with a possibility of having the drawings shown at the Haggin Memorial Museum in Stockton.

"Those requiring use of a taxi must get a signed slip." This happens at the Tule Lake Colony. At least they have a chance, we don't.

In Tulare, a reducing class is conducted for those who wish to lose excess weight. Maybe some of us can take a hint. They were a little late in starting but they first movie shown to Tulare residents was "Rhythm on the Range," starring Bing Crosby. Shoe repairing will be free...

Over two tons of tin cans were salvaged by Pomona residents to aid in the national defense drive.

"Pigmy's Day" was held for the entertainment of teen-age youths in North Portland Center. Not a bad idea to keep the youngsters' minds occupied.

PRAISE, NOT LAUGH!

"When a nursery school pupil brings home a queer colored picture, do not laugh at it or make fun of it, for by so doing, you may nip the making of a future artist in the budding stage," warned Martha Takomura, head of the nursery school, at a meeting of the first PTA held Saturday night.

Members of the staff made their respective reports followed by discussions on problems relating to lessons and child behavior. English only will be used by the teachers to prevent the use of the Japanese language in the early stage.

FUN ON TRAIN

How to kill monotony on the train ride to Colorado, will become one of the most seriously considered subjects by the heads of the Recreation Department with the approach of the relocation zero hour.

All types of games, story telling, highlights on history and geography of the way stations are among the entertainment considered. Various training classes will be held to train leaders to represent the ten wards.

NEW REV. HERE

Rev. Shirakawa, formerly at the Turlock Center, arrived here last Sunday with his family. He will take up his post as a Buddhist minister in cooperation with Rev. Yonemura, the only Buddhist minister here to this date.

Shoe Repairs

A shoe repair shop was set up in Warehouse #13 on Tuesday. Residents' shoes will be collected at this one central location and taken out to be repaired.

The plans call for shoes to be picked up on Tuesdays and Fridays from 9-11 a.m. and brought back on Thursdays and Mondays from 2-3 p.m.

Prevailing prices will be charged on a cash basis.

DO NOT SPREAD RUMOR!

Our Barber Is a JOLLY Good Fellow

The belated opening of the Center Barber Shop took place last Saturday in the west wing of the Center square laundry building. T. Miyahara (Fresno) was the lone barber taking care of the long-neglected crop of hairs.

Barber Miyahara is a sample of a typical and jovial country barber whose shop will become an institution.

'Stored Goods' Available Soon

Here is welcome news to those who have been doubtful as to the government's promise in regards to shipment of stored household goods in federal custody.

Two carloads of stored goods have been delivered to residents of Tulalake upon their arrival from various assembly centers, it was officially learned.

The same procedure will apply to Merced evacuees at Colorado relocation center.

Press Puts On Novel Dance

Proving a definite success was the "Vice Versa Hop" sponsored by the press Saturday night. With the girls dating the boys, this dance was attended by over 175 couples.

Success of the affair was due largely to the efforts of the committee in charge. A multi-colored draped net decoration furnished a colorful atmosphere to the evening. Intermission numbers featured a tap dance by Toru Yokoi.

GARDENERS TO AID

Fred Yamamoto, head of the gardening service, expressed the willingness of his staff to assist in the planting and taking care of individual garden plots whenever possible.

Seeds, equipment, and even labor will be furnished to those interested in making their barracks a more comfortable place.

FIRST AID!

Following poem was handed to your reporter by Misayo Watanabe, and written by a gentleman who lives in Livermore, California.

FIRST AID

Lady, if you see me lying
On the ground and maybe dying,
Let my gore run bright and free,
Don't attempt to bandage me
While there's life, there's hope, so pet,
Don't apply the tourniquet.
Do not give for my salvation
"Artificial respiration."
Do not stretch my bones or joints.
Do not press my "pressure points."
If queer symptoms you should see
Don't experiment on me.
If I'm suffering from shock
Take a walk around the block
If you must be busy, pray
Help to keep the crowds away.
So whatever my condition
Phone at once for a physician.
Let me be, I'll take a chance,
Waiting for the ambulance.
From "First Aid," I beg release
Lady, let me die in peace.

No doubt this was written in protest of being the "victim" of his wife's first aid efforts.

GARDEN OF EDEN?

The Garden of Eden in B-1-2 is the property of Harumi Yamasaki of Modesto. Armenian cucumbers about a foot long each have been already picked. Lettuce, string beans, tomatoes, and radishes are nearly ready for harvest. Miye Yamasaki is very proud of the gladioli. This garden was planted on May 12, 1942.

About 5:30 a.m. daily, a group of people gather around this garden and create so much racket that the Yamasaki family is deprived of their sleeping hours.

Cucumber beetles, vegetable weevils; butterflies and lady bugs also reside in this Garden of Eden!

SWEET STUFF

Sugar! Sugar! Everybody's craving sugar. Why should we worry about the sugar rationing? We have plenty of SATO (SATOW) in camp. We have no worry of running out of SATO. Or have we? Maybe they might surprise us.

MAIL OR MALE?

The press staff was busily working on the decorations from the "Vice Versa Hop," when the mail truck pulled in. One of the reporters shouted: "Here comes the MAIL. I'm going to see." The editor answers, jokingly, "What MALE?" Catch? That's a pun.

ROLLING SEWING

Merrily we roll along, roll along. Yes---we roll along to Colorado. The fairer sex are busily sewing, making gay dresses and knitting sweaters and socks for the long, long trip.

ADVICE

To the unskilled workers we dedicate this saying to help them get a raise. "You will rise rapidly----if you sit on a tack."

Bouquets to the girls! You did a swell job of putting over the 'Sadie Hawkins' dance. You're really swell sports and we know you had it in you. That's a compliment, so let's live up to it.

Boy Scout Troop 62 and Girl Scout Troop 3 held a weiner bake Sunday evening. The entertainment included a scavenger hunt, songs and speeches.

Honored guests were Harry L. Black, manager; Richard Mitchell and J.M. Kidwell, scoutmasters and cub masters of all other troops.

Dr. Terami spoke on "Star Gazing." The Scoutmaster's benediction and taps closed the evening.

Ed Tokunaga and Terry Mae Murakami were co-chairmen.

FIREMEN'S ROAST

Last Thursday night, the Fire Department held a weiner roast for the volunteer firemen and their wives and girl friends. Over a hundred people attended the event. Several members of the administrative staff were the guests of honor.

Entertainment and refreshments were the evening's diversion.

All Day Event For Youth 6-12 Years

A play day is being planned for children 6-12 years of age by the Recreational Department on Friday, Aug. 7. This will be an all-day affair. Invitations are being sent to the parents and friends. The public is invited to attend.

This play day is being held to show what accomplishment the Educational and Recreational Departments have made. Isako Sugiyama is in charge of the recreation; Mary Suzuki, dramatics and folk dancing; Kazuo Masuda and Dr. Terami, educational program.

Two hundred books have been added to the Library for the reading public. The majority of these are romantic books for girls and others are non-fiction.

One hundred and twenty-five of these books were obtained from the Victory Drive for the U.S. armed forces. Remaining seventy-five were purchased by the Recreation Department.

Regular issues of Parents, Esquire, Atlantic Monthly, Sports Afield, Time, Good Housekeeping, and Handy Man's Home Manual magazines are on the Library shelves. Librarian Mabel Andow announces every future issue of these magazines will be available from now on.

Nine books on Colorado, tentative relocation center, are also available.

Kawashima Girls Easy For South

Adding another victory to their win column, the Livingston-Cortez girls trimmed Walnut Grove, 13-3. "Johnny" Matsuda pitched a beautiful game allowing only one hit and one walk. The "sisters" pulled another fast one and collected 10 scattered hits, scoring 8 runs in the second inning, 2 in the 3rd and 3 in the 4th. Walnut Grove scored their 3 runs in the last inning on errors by the Livingston-Cortez girls.

Taking batting honors were N. Uyemura, M. Kubo, R. Takemura, and P. Taniguchi of Livingston-Cortez. Suzy Onomiya collected the only hit for Walnut Grove.

BATTERIES: Walnut Grove, M. Wada, C. Takao and M. Matsuhira; Livingston-Cortez, J. Matsuda and M. Kubo.

More To Knit

Knitting and crocheting classes under the capable instructors, Mrs. Higaki and Mrs. Takamatsu, have made commendable progress. Beginners can still be accommodated, it was reported.

Class schedule: ISSEI--Mondays, Wednesdays and Fridays, 9-11 a.m. NISEI--Tuesdays, Thursdays and Saturdays, 9-11 a.m. at C-5-12.

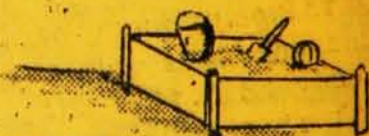

Pre-School NURSERY

Cute and chubby bare legs are soon churning in the Pre-School Nursery sandpit from Monday through Friday in Ward B. Tots between four and five years old play various games as they squeal and shout.

Lately, large, hairy legs have been soon kicking up sand as large fellows use

it to practice sumo.

A complaint from the Pre-School Nursery is that these young muscular giants gradually kick the sand out of the pit. So you young behemoths restrain from using the sandpit if our small brothers and sisters are to enjoy themselves.

SPORTS

By ELMER IOKA

Here it comes-----the Nisei's favorite pastime, basketball, a thrill jammed, riotous, dizzy season will step into the limelight when more than 20 colorful casaba aggregations, of this Assembly Center will actually start a quest for gon-falon this week....

EVENLY MATCHED-----

Probably all the quintets in Class "A" are evenly matched and only a dope would venture a prediction on the out come of this "goose chase".....With the gathering of outstanding casaba artists from all over the Northern California sector, the sharpshooters of various teams are bound to prove their respective marksmanship to all the loyal casaba enthusiasts.

Upsets, as far as this writer could visualize, will be a dime a dozen, and thrilling moments are well in expectation..Some of the incredible marksmen of both NCVC and JAAU are here with their basketball feats to perform their utmost which may make Johnny Naismith, the daddy of basketball, turn over in his grave.

To name a few players among the "Fame" list in this camp are Toshi Shimizu, formerly of S.F. Protos and Mikados; Benny Yamagiwa of the Sac'to Wakabas; James Watanabe and Grove Yoshiwara of Walnut Grove Barons; and Ikky Iwanaga of the Marysville Crimson Tide.

In the Class "A" division your writer believes that Walnut Grove Deltans, "Kau Kau lane", and Modesto, fives are about the three top choices which will probably enjoy the rare privilege of being a champ; however, Sebastopol, Turlock and Yuba City may pull in a surprise for anything goes in this topsy turvy casaba Season.

In the Bee Division, the Yogores are about a run-away to the laurels, possessing a potent scoring strength. However, many tough goings and upsets may be expected before reaching the end of the rope.

Lovey-doveys planning on getting married must remember that a marriage ceremony must be held inside the Center.

DODGERS-TAKE A BOW

The Dodgers from Livingston came through in their debut of the second half by tripping the highly esteemed champs, the Sebastopol Giants, 6-4, Sunday afternoon. The game featured spectacular fielding and beautiful throwing by both teams.

Livingston scored early in the game, pounding the offering of M. Arishita for 6 runs in the first two innings before "Daddy" Otani was called in to take over. Though held scoreless for the rest of the contest, the big lead plus heads-up ball earned the smooth Dodgers a victory.

Gilbert Tanji, Dodger hurler, starred for the winner when he came out after being KO'd by a pitched ball to pitch a 7 hit game, completely choking off the powerful Giants' stickers in the clinches. Ohki brothers, Arnold and Ken, walked off with the batting honors, getting 6 of the 9 Dodgers hits; the former chalking up a triple for the longest hit of the day.

Rookie Bill Wada, Giant shortstop, elevated to the position from the B squad, played a fine game, getting 2 for 3. Leo Kikuchi got 2 out of four.

BATTERIES: Dodgers; G. Tanji and K. Ohki; Giants; M. Arishita, G. Otani and T. Ono.

JUST TOO BAD

The Yolo Phillies pulled a fast one Sunday afternoon when they upset the strong Delta nine, 9-8, in a thrilling story book finish.

Outhit 14-8, the Yolo nine was found on the short end of a 8 to 6 count until the seventh. In that fateful seventh, the last hope of the Phillies, hard hitting Isao Tokunaga, stepped up to bat with two on and two away. Suspense and silence gripped the crowd as they watched Lefty Yoshiwara deliver his pitch. The first ball came over fast and straight. Out it sailed, too, over the fence with one big hop as the Yolo fans went mad with frenzy over their second win of the season.

Hero of the day, Isao Tokunaga, batted 4 for 5, including a double to steal the show at bat for the
