MESS & LODGING DIVISION

Curfew regulations for all Centers have been issued by the San Francisco office.

Mr. Emil Sandquist and Major W. F. Durbin, of the San Francisco office, visited the Center Sunday and announced that the regulations would be materially revised so that the curfew can be arranged at an hour late enough not to interfere with the approved activities.

This Center will operate as usual, according to Harry L. Black, center manager; pending revisions of the regulations to be received from San Francisco. In general, the new regulations are expected not to affect the privileges which the residents have enjoyed in the past.

Beyond Our Barracks

The Japanese American Citizens' League has opened a branch office in Washington, D. C. in order to protect the rights of the Japanese and obtain better coordination in the work.

Tulare Center is one jump ahead of us on this---they have a wading pool which is both for adult and child use. "No diving, dumping, or unnecessary roughness will be permitted." Can't imagine anyone diving in a wading pool. Tulare has the same trouble----asking the residents not to take lumber. Community clothes lines were installed to enable fire trucks to pass between barracks quicker. Fans are being installed in the mess halls.

The "Roadrunners" of Pomona Center can be recognized by their distinctive, cool and manly-looking haircuts. And they were created by a member of the male sex, too. Good advice by a columnist is: "Remember that no man is better than anyone else here. Some people are like 'full dress shirts.'--All front with no starch in the back."

Santa Anita is also conducting a model airplane contest.....a Troop-of-the-month contest is going on with Troop 27 in the lead.. Forty girls are enrolled in an evening judo class. It is anticipated that class will also be conducted in the afternoons.

Amos Alonzo Stagg, the grand old man of football, spoke to the Young People's Church at the Stockton Center.

"Keep 'Em Dying" is the slogan for the North Portland Center residents in their campaign against the pesky house flies.

OPEN FOR BUSINESS...

The Center barber shop now has three tonsorial artists and they are really making the hair fly in all directions---especially on week-ends when everybody wants a hair cut.

Residents are asked to get their hair cut during week days to relieve unnecessary congestion in the cubby-hole barber space.

"We are expecting to have two lady-barbers soon, and when that happens, I'm afraid we men will have to take up knitting for a past time," commented jovial Miyahara.

The barber staff now consists of T. Miyahara (Fresno); James Yamamoto (Colusa); Isamu Kuge (Turlock); and cashier, Mabel Yoshida, (Turlock).

The barbers will appreciate the customers washing their hair before coming for service since sand and grime dull the instruments.

"JAPANESE—MORE LOYALTY"

Before a group of 1,000 the first in a series of Town Hall Forums, took place Monday evening.

"What Should be Our Attitude Toward Evacuation" was the opening topic, with Harry L. Black, J.M. Kidwell and Richard Mitchell forming the panel.

The past history of the evacuation problem was outlined by J. M. Kidwell, whose subject matters were in most part gleanings from various newspapers and official announcements from the WCCA journals.

He stressed, however, that evacuation of all Japanese from the combat zones was a military necessity.

Mr. Harry Black's present attitude on the subject of evacuation delved into the general public psychology of today.

He said in part: "We must set up the pros and cons...We people here have greatly lost in liberty. We all made sacrifices and you made great sacrifices."

In final summary he said: "In my short association with you, in talking and in activities, you are without fault. There is more

loyalty, there is more real Americanism than there is apt to be found in many minority groups in this country."

"Be confident and build those attitudes through those tragic times for those happier times to come."

Mr. Mitchell dealt on the future aspects of evacuation with a touch of dismal and foreboding note. He stated:

"After the war, given a victory by the allied nations, the Nisei are apt to still be classified as Japanese rather than as Americans."

America's failure to solve her racial problems was illustrated with relation to Negroes, Jews, Chinese, (con't. on page 4)

HOBBY SHOW PLANNED

The Arts and Crafts Department will sponsor another hobby show on a larger basis in Recreation Buildings Nos. 1 and 2 on August 15 and 16. From various divisions, many interesting exhibits will be displayed.

Exhibits are to be displayed by the paper craft, woodcraft, painting and sewing classes. Other displays will include home gardens and model airplanes. Prizes will be awarded to winners in their respective divisions.

INTRODUCING - Buddy Iwata

Introducing that scholarly-looking gentleman---the President of the Assembly and representative of Ward C---24-year-old Buddy Iwata.

Formerly of Turlock, Iwata is a graduate of Stanford University, Class of '39. While there, he was active in student affairs, serving on the Rally Committee, Peaceday Committee and the Institute of Student Relations.

Twice Iwata was a delegate to the American-Japan Student Conference; once when it was held at Palo Alto and then in Japan in 1938.

Before coming here, he was engaged in the foreign trade business in San Francisco.

Included in his activities were president of the Japanese Student Club, president of the Older Scouts' Association, Troop 12 of San Francisco, president of the Turlock Social Club, a member of the Board of Governors of both the San Francisco and Stanislaus-Merced JACL Chapters.

YOUR PENNY?

Eighteen-year-old Hiroshi Asai, a G-man by occupation of D-1-10, turned in this report to the Center Police Department:

"Found one 1940 Lincoln head penny on Broadway at 7:05 a.m. on July 23."

Wonder if anyone can prove it is his?

SMALLEST GETA?

S. Sunahara, F-5-16, of Woodland has the distinction of possessing the smallest "geta." This small complete geta is one-fourth inch wide and one-half inch long.

Can you beat that?

THE PROBLEM CHILD

Ken Kagehiro, 3 years old of D-4-4, is the problem child of the Pre-School Nursery and Ward D.

At school little Ken sits on his classmates' heads, pushes their faces, pinches their ears, and pulls their hair. In Mess Hall D he performs the most unusual things imaginable. The other day, he attempted to undress and bath a frankfurter in a cup of water.

Mother Kagehiro says, "He is just a mean devil!"

OVERHEARD

(Waitress coming down the aisle with a plate stacked with toast.)

Young fellow: "May I have a board?"

Pretty waitress: "May I sit down and watch you eat?"

Young man: "Certainly not, I'm apt to eat my fingers!"

(Discussion among a group of boys.)

One fellow: "She's got 'daikoh' legs!"

Another fellow: "You mean 'tsukemono' legs!"

FIRST MORNING GLORY

Mrs. K. Hoshino, A-2-20 of Livingston, has the first morning glory in bloom. Her three Japanese morning glory plants were planted on May 12, 1942. They are white with grayish tips and are Mrs. Hoshino's pride and joy.

This is contrary to the belief that Morning Glory Avenue in Ward G has all the morning glories.

BALLET PROVES SUCCESS

By Oski Taniwaki

It really doesn't help much to "guide the lily", but this writer wished to put his two-cents worth of editor's privilege and hand out a carload of orchids to the Education department's Ballet and Chorus which put the touch of finesse on the otherwise not-so-colossal talent night of last Tuesday.

The ballet numbers featuring Mitsuko Hattori, director, and Seiji Iwamura were introduced with refrains from the gay and romantic "Beautiful Blue Danube" waltz. An eight girl chorus in snow white costumes studded with shimmering silver tinsels ably added support to the background for the three waltzes.

A special event will be a whiskerino contest among the ward representatives, Commissioners and coordinators. They will be judged on scantiest, longest, heaviest and handsomest.

Yuri and Kanemi Shinozaki was of the lighter mood. Madame Higaki received ovation on her "Tobi Ume no Fu", an odori of the classical line. Madame Kuge's biwa uta made a big hit with the Issei group.

KITE FLYING CONTEST

Color galore over the Center sky is in the air, as a kite flying contest is being planned. Proudly-made kites by artistic hands will bring fancy designs, bright colors, long and short tails, small size and big size kites to the public eyes.

Registration is now under

way at the Recreation Office, F-2-2. There will be two divisions for the contestants. The senior class comprises those 16 years and over. Competitors, 15 years and under, will be classed as juniors.

Prizes for the most beautiful, the highest flying and the longest flying kites are being made.

BEAUTY HINTS

Enhance the appeal of your beauty by giving your skin a lovelier tone. You can do this with the correct color harmony shade of powder created for your coloring. Once you try it, you'll always like it. It imparts a lovely color to the skin.

Worse than a shiny nose, are those "depressants in dress," a hole in the bottom of your stocking; a skirt that goes bulbous in the back; hair that has to depend on a hat; fingernail grime hidden under polish (even three layers of it.)

OVERHEARD PARLEY VOUS

Five remarks not to make to the boys on furlough, whom you want to make happy are: (1) Do you really make

your own bed? (2) Don't tell me you got up at a quarter of six? (3) You guys got it easy; (4) You mean to say you're still a

private? (5) I'll take care of your girl while you're away. And by the way, how're you doing with the hostess?

RECIPE FOR LOVE

1 cup sugar, $\frac{1}{2}$ tablespoon hugs, 4 entrancing arms, $\frac{1}{2}$ cup kisses, 4 teaspoons mush. Mix ingredients in a sauce pan. Heat over low fire and stir well. Mix it well and put it on the back porch to cool. Beat it when the ole man comes home. Serve while cool.

WRA WAGES

The pay scale for workers in a WRA Center is as follows: \$12 per month for unskilled; \$16, skilled; and \$19, professional and technical. The wages are higher than those paid at a WCCA Center because no script books are issued.

Mr. Clarence L. Moore, director in charge of housing and employment in Granada, Colorado, visited Center manager Harry L. Black on Sunday. Mr. Moore requested a copy of the Merced Center employment list to use as a guide for workers there.

Education NEWS

George Toriumi, teacher of commercial subjects, and Juna Yamoto, needlecraft and etiquette instructor, will be the speakers at the teachers' meeting tomorrow. The purpose of these meetings is to exchange ideas and informally discuss the problems of each teacher.

Forty-five seconds was the time that it took 350 children to march out of their class rooms during a practice fire drill last Friday. The orderly conduct of the students during the drill was highly praised by the fire inspector.

Charting a future course for the Japanese, Mr. Mitchell enumerated and elaborated:

"Seek a place in the war effort, volunteer for military service, salvage defense materials voluntarily. Demonstrate your desire to continue to live the American ideal of living.

No matter what the discouragement, don't give up."

2ND HALF-----

The second half of the Nat'l League got under way in great style last Sunday as two initial upsets were registered via Livingston and Yolo.

This second half pennant chase is really going to be a razzle dazzle, unpredictable affair with revised lineups, imported players, and graduated "B" stars participating.

"BEES"?

What happened to the pre-season favorites? Marin with a formidable lineup--Yuba with a good all around team---Modesto with Togo Kimura----all have slipped into mediocre positions in league standing.

In the meantime, the "dark horses" of the league, the Sepol Indians and the Turlock Senators played tight ball, working their way unheralded to the top of the standings. Both teams owe much to their ace chuckers, Jack Otani and Johnny Mizawa, two of the finer pitchers in "B" class competition.

BASKETBALL

The selected favorites of the maplewood came through with impressive wins in the opening games of this casaba season....The Floahouse Dwarfs, (what dwarfs!) that titanic quintet, starring "Tiny" Fukuyama and Ping Oda, easily floored the Modesto Old Timers, 32-19. The hustling Modesto lads toppled Woodland to keep in the running for the "A" crown.. Sepol, a "shady" entry, seems to have plenty of scoring power going on a rampage over Yuba City, 30-3.

In the "B" division, the Yogores and the Yuba team came through with wins. Yuba with a tall, well balanced team may provide plenty of trouble.

In the "C" class, the Walnut Grove five presents a flashy, star-studded outfit, composed of Junior High sharp-shooters, which seems to be a hard team to stop.

THIRD SUMO TOURNNEY SCHEDULED SAT--SUN.

Hashimoto Stops White Sox

In a close, fast ball game, Modesto Browns defeated the Yolo White Sox, 6-4, Tuesday.

The game developed into a pitcher's duel between "new discovery" Mark Hashimoto of the Browns, and S. Daikai of the White Sox, who relieved S. Furukawa. The former fanned 9 men, while the latter 8.

Modesto collected 9 hits, while the Yolo men got 6.

Center fielder, Calvin Ishida of the Browns lead with 3 out of 4, followed by M. Hashimoto with 2 out of 3. Right fielder S. Nakamura of Yolo had a perfect day getting 2 out of 2.

BATTERIES---Modesto, M. Hashimoto and K. Miyoshi. Yolo, S. Furukawa, S. Daikai and M. Yamagiwa.

Marble Starts

Girls and boys who aspire to be marble champions should attend marble practice. There are two groups--9-12 years old and 6-9 years old.

The marble playground is located behind the baseball fence.

OTHER CENTERS

North Portland Center boasts a 9 hole golf course open to public....Tulare Center has a croquet tournament underway, also a horseshoe contest....Santa Anita is contemplating golf. A judo Tournament is in line for mat fans. Marble tournaments are held for youngsters up to 12....Amos Alonzo Stagg, C.O.P. mentor and revered sports personality was guest speaker at the Stockton Center....

The third in a series of lively Sumo Tournaments will draw its ardent supporters to the sumo pit as the brawny tusslers go to it Saturday and Sunday from 6-10 p.m. A,B, and C class champions will be competing for laurels. To the victors will go a pennant and a perpetual trophy.

With many new entries and old favorites participating, this third tourney is hailed as the best ever. Popularity of this national pastime of Japan is growing and a great crowd is expected.

DEADLINE SET

Today is the last day that contestants can sign up for the ping pong tournament which will start tomorrow. All those who are interested, whether they are amateurs or professionals, are urged to enter at F-2-2.

There will be two divisions for the men and two for the women. The Junior class is for the 16 years old and under and the Senior, for the 17 years old and up.

An elimination tournament will be conducted according to Kay Matsuhiro, chairman.

CUBS MEET SATURDAY

The Cub Field Meet will take place at the baseball park tomorrow from 9-11 a.m. The opening ceremonies will consist of the "Pledge of Allegiance," Cub Oath, law and motto, singing of "God Bless America," and an opening speech by Mike Fujimoto.

Chairman Tom Sasaki and Assistant Tak Date have arranged many varied contests. Drills, antelope race, steal the bacon, treasure hunt, relay hoop race, pyramid, leap frog relay and dragon race are scheduled.

The closing ceremonies will begin with the singing of "Goodnight Comrades," followed by cub yells and clapping. Tak Date will deliver the closing speech.

'A' TEAMS VIE FOR LEAD

SATURDAY----

The National League baseball team, the Walnut Grove Browns and the Livingston Dodgers, will meet this coming Saturday, in what promised to be a thriller. Livingston squad will be favored.

Walnut Grove will field a veteran team which will put up a strong bid for victory. The Dodgers defeated the Sebastopol Giants in the first game, whereas the Braves dropped theirs to Yolo.

In the preliminary "B" League contest, the Cortez Tigers who have won two straight, will be up against stiffer opposition when they meet the Marin B's.

SUNDAY----

In a pair of class "A" games Sunday, the Colusa Reds tangle with the Yolo Phillies, recent victors over Walnut Grove. Both teams will be out for a win to keep their second half slate clean. At 3 p.m. the Sepol Giants will be out to make up for their defeat at the expense of the Cortez Cubs. Cortez with new faces on the diamond may prove a tough opponent.

TULARE VISITORS

Mr. Nils Aanonson, Center Manager of the Tulare Center, and two supervisors, Mr. G. R. Carter, service division and Mr. R. E. Caviness, personnel and records, visited here Tuesday on an inspection tour. The visitors were favorably impressed with Merced Center conditions.

EXTRA INNING RALLY NETS WIN FOR CORTEZ

The Cortez Tigers came out in the extra inning to score three runs and defeat the Courtland Yanks, 16-15, Tuesday.

The wild game was brought to a conclusion when with two men on, Cortez's star catcher, Freddie Kajioka, banded one out to the fence for a clean triple, scoring two mates. Kimoto followed with a flukey hit on the third base line to bring in the winning tally.

The Tigers banded out 14 hits and the Yanks 11. The
