

DANCE! ARMY INSPECTION

UNIQUE BIDS MADE FOR PROGRAM JIG BARRACKS WILL UNDERGO SEARCH

Tonite's all-program dance will be held either at the Edex Hall or on the Platform, according to the weather.

Clever programs made by Agnes Uyesugi will be given to each escort and stag.

COUPON BOOK DISTRIBUTION

ADVANCE CREW ELIGIBLE

Free coupon books will be distributed on Tuesday and Wednesday, September 8 and 9, to everybody in the center from 8 a.m. to 11 a.m. in the morning and from 1 p.m. to 4 p.m. in the afternoon at the cashier's window.

Contrary to previous reports that the advance workers will not receive their books, Center Cashier John Gordon revealed that the advance crew will be eligible for books upon application.

The books will not be distributed according to ID numbers. They will be issued--first come, first served--to anyone regardless of ID number.

MEN WANTED

JOBS AVAILABLE IN MESS HALLS

With the evacuation of the advance crew drawing near there will be many positions open. Jobs available will be 5 property warehouse workers, 5 food warehouse workers, 10 cooks for various messes, 18 mess hall helpers and 2 stock clerks.

Those who are interested in working in the mess should apply to George Tanaka. Mr. M. Taylor and H. Morford will take the applications for the warehouse jobs.

Those who are interested in office positions should see Mr. R. B. Frost.

Army inspection of barracks in search for contraband articles began this morning at 8 and will be conducted throughout the day, according to the announcement made by Center Manager A. S. Nicholson. Articles included in the contraband list, which is posted on the mess hall bulletin boards, will be confiscated.

All residents with the

exception of mess hall and hospital and sanitation workers must remain in or near their barracks until the search is completed.

Residents were assured that receipts for all articles confiscated, except government property, will be given to them by the Interior Police. In case the Interior Policeman fails to give a receipt for non-government property, evacuees are entitled, and are urged, to request one.

Center-ites were asked to have the doors open and all property and personal effects laid out for easy and complete inspection.

Only two adult evacuees will be allowed in each unit during the search, which will be conducted by the Interior Police and the Military Police.

Also, those people who have government property other than blankets, cots and mattresses were requested to turn them in to the respective divisions yesterday.

ADULT CLASSES ARE CONTINUED

With evacuation still lingering a month away many adult classes will continue. The Americanization class under Misao Hiramoto will be held as usual.

Other classes to continue are corrective diction, piano, choir, special art, special grammar, grade and nursery school and sewing class. The corrective diction class will be held in 1-16-C Monday at 2:00 p.m.

MOVIES! 1st MUSICAL SHOW

On schedule for Monday and Tuesday evenings is "The Gay Desperado", starring tenor Nino Martini, lovely Ida Lupino, jovial Leo Carillo and comical Mischa Auer.

This will be the Center-ites first taste of a musical since evacuation. "The Gay Desperado" is a story that satirizes the Mexican bandit and racketeer type of plays and films.

Group I (1,2,3,4 and 5) will attend on Monday; Group II on Tuesday.

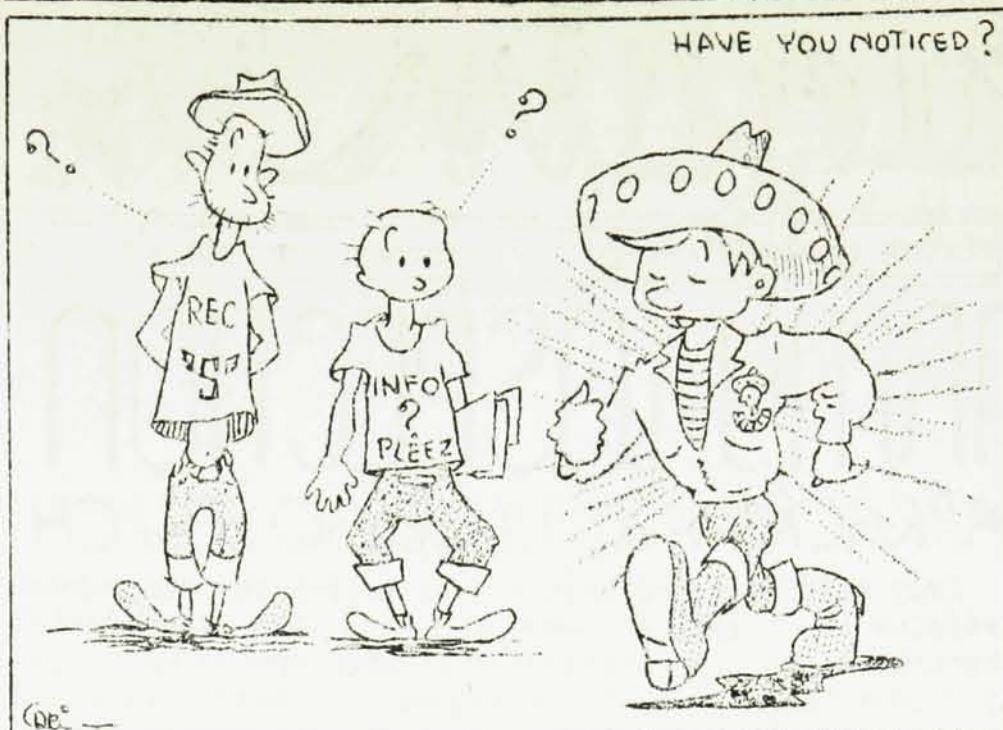

PHYSICAL EXAMS GIVEN WORKERS

"To double check for communicable diseases," was the answer Mr. L. C. Shaffer offered in reference to yesterday's physical examination of all workers who handle food.

This is a State and federal requirement, according to Shaffer. Dr. H. Kanagawa was in charge of the examination.

ARTHUR IWATA LEAVES FOR ST. LOUIS

Arthur Iwata left Thursday for Washington University in St. Louis, Missouri, to study for his M.A. degree. He was given a grand send-off by his many friends in the Center.

VOX POP BOX

ON CONCERTS FOR NISEI

August 29, 1942

Dear Editor:

The present concert for the Issei is going over big and the responsible party should be congratulated. Just mere words cannot express the true significance of the value of these concerts. Living under abnormal conditions these concerts prove indispensable to the morale of the camp. Music certainly doth has charm.

But now, how about concerts for the younger people. You could divide these concerts into three categories; swing, semi-classics and classics. I know that the music of the masters will be well appreciated.

Music lovers would undoubtedly spend endless hours listening to Johann Strauss' waltzes, Victor Herbert's light airy tunes and to the latest "jim-jam-jive" tunes.

Yours sincerely,

D.K.H.

P.S. I've seen 'em all, I've read 'em all, but you still can't top the S.A.C. EL JOAQUIN. Congratulations are in order, Mr. Editor.

Each P-boy invited his girl. Entertainment for the evening was taken up with card games.

By the way, the boys washed the dishes and the girls dried them. Good cooperation there.

In the second place the Barbers had a dinner--a la

P.O. CLOSED MON., LABOR DAY

"90 - 100 money orders a day. That's a lot of money orders; that involves a lot of money; that's a lot of people to wait on!" declared Mr. Bert (Bertram) Jacobs, Postmaster of the Center Post Office, when asked about the number of money orders per day. He added that they averaged to 650 money orders a week and 2600 a month!

As for C.O.D.'s, Mr. Jacobs handles an average of 40 a day; parcel post packages total up to 35 per day.

In conclusion the Postmaster added the reminder: "Don't forget to put addresses and names on return addresses--or the Dead Letter Office will be the re-

ceiver, not you."

The Post Office will be closed today and deliveries will be made on Sunday. It will also be closed Monday, which is Labor Day.

WAY UP HIGH

From the grandstand, this American-born Japanese with a Filipino complexion and Caucasian culture looked out over the pattern of barracks weaving a symetric design inside the race-track oval.

Scanning over the tar-covered buildings, I watched the kids scrambling around the track and their mothers putting out the family wash to dry. Every where the normal activities of the Center life were portrayed in a realistic panorama before me. The hustle-bustle of the camp life brought back to my mind a newspaper story concerning the Japanese leaving their homes for the assembly centers.

Stoic was the word key-noted by the writer as being symbolic of the expressions on the evacuees' faces.

I paused to reflect on the verity of this statement. I wondered if he could have known the feelings deep within our hearts or the sadness in the souls of the evacuees as we left our homes. It might have been enlightening for him to have been a Japanese-American for just a day and seen the pathos in each of our individual homes.

Stoic---hmmm---a warehouse truck laden with vegetables and other edibles rolled by on the track headed for the mess halls, distinguished from the other buildings by chimneys sending curling wisps of smoke into the sky.

Down just below me, a girl with pig tails ran screaming along chased by a kid with jeans--school was out.

...The sunrays basked the Center grounds with brilliant warming light. The breeze was cool and crisp as it slowly ebbed on thru the atmosphere. Somehow, a tinge of emotion kept filling me with unknown pleasant thoughts.

Stoic---I watched the humanness around me---and I wondered.

WESTERN SAGA
THRILLS CROWD

Center-ites turned cowboy fans last Thursday and Friday evenings when they cheered Jack Randall, hero of "Oklahoma Terror", through his hair-raising escapades.

The shorts of the evening were "Navajo Indians" and "With Williamson Beneath the Sea". The former depicted the typical life of the Navajos, while the latter showed life at the bottom of the ocean and the work of the deep sea divers.

FINANCE DIVISION
NAME OMITTED

The name of Annie Kunii was omitted in the list of employees in the finance division. She has charge of preparing receiving reports for all foodstuffs that come into the center and types the numerous reports that are submitted to the central office weekly and monthly.

Annie, when told that her name was omitted from the El Joaquin, said, "Well, I admit I don't do very much, but what I do is good, (I hope)."

The sports event of the weekend will be the colossal wrestling tournament at the remodeled arena on the Western end of the Recreation Field, where some 2000 fans are expected to watch the cream of the Center's grapplers.

The feature attraction of the tournament will be the hot four-man elimination match (yonin nuki) which will pit five of the classiest stars in the business, namely, Will Kagawa, Bingo Kitagawa, Atsushi Tokunaga, Geo. Kagawa & Jim Misaka.

The above event however will be minus one ace as bulky George Kishida will be out of the lineup. The former Lodi High Flames' star lineman injured his elbow during practice and will definitely not compete.

So, you fans, especially if you haven't attended any of the previous matches, here is your final chance to see an exciting classic.

The defeat of the youthful Terrors has turned the Major League's second half race into a mad scramble and now the question of the hour is, "Who is going to come out on top?"

Though charged with one defeat, the Terrors must be given the inside lane because they possess the two best control pitchers in the loop---Mike Takeuchi and sensational Nobu Tanimoto, Terror's new find.

The fate of the slugging Pirates and Trojans will depend largely on the pitching abilities of the two Sanji's, Teranishi and Fukuyama. Both of them are of the best in the league if they can keep the ole apple down the plate.

The Yankees also have only a single setback and with Kuni Kawamura back in his old form again after taking treatments for his arm, they have a fighting chance for the pennant.

The only other ten which has a mathematical chance of getting into the play-off is the Dodgers. But they must win all of their remaining tilts and at the same time hope for an upset among the pace setters.

PIRATES HOLD TERRORS TO 10-10 DEADLOCK IN 6 INNING BATTLE HOWEVER, TERRORS CONCEDE GAME TOSH OTSUBO, BATTING STAR

In a tight game witnessed by a capacity crowd, the unpredictable Pirates led by the murderous slugging of prancing Tosh Otsubo, held the powerful Terrors to a 10-10 deadlock.

The game was limited to six innings because of the 7:50 time ruling. However the Terrors conceded the crucial tilt to the Pirates, thereby snapping a nine game winning streak.

It was Otsubo, who kept the Pirates in the ball game

with his hitting which totaled one single, a pair of doubles and a rousing home run into deep leftfield in the dramatic sixth inning which drove home two runs to knot the game.

Babe Utsumi and Sammie Ichiba also marked up four-ply clouts.

YANKEES DRUB BUMBOWS 19-0 BUT LOSE TO TROJANS

The Yankees kept themselves in the thick of the Major League's second half pennant chase as they divided two games, walloping the highly touted Bumbows 19 - 0, but losing to the Trojans 16 - 3.

Hal Nitta paced the Bumbow contest with a perfect 3 for 3 in a free scoring game.

DODGERS BLANK ARISTOCRATS 24-0 KAGAWA CHUCKS

In the first shut-out of the Major League season the erratic Dodgers awoke to blank the fading Aristocrats 24-0.

Faced by Joe Kishi and Frank Kamibayashi, who collected 4-3 and 3-2, respectively, the Dodgers accumulated a total of 15 hits.

The Aristocrats were able to glean only two scattered bingles off George Kagawa.

The win again placed the "star-studded" Dodgers in a threatening position for the League pennant.

DAVY'S PLASTER SQUIRTS 38-19 BABS INAMASU TOPS SCORING WITH 22 POINTS

By TERI YAMAGUCHI

On Tuesday nite the top league stander, the Blk. 6 Davys added another victory in their bag when they defeated the Blk. 4 Squirts by 38-19.
