

# Your Property Management Solution

Your experience in selling homes, combined with our expertise in managing homes, is a win-win for you and your clients.

- 1 | INVESTOR RELATIONS**  
For investors who may pay cash or purchase multiple homes, we'll help you and your investor save time, earn more money, and avoid costly mistakes. We have the most current data about rental rates and vacancies, crucial information for establishing ROI.
- 2 | ACQUISITION**  
Are you currently managing properties yourself? Is it time to focus on what you do best— selling real estate? We flag the properties with your name so you can sell the homes when the owners are ready.
- 3 | REFERRALS**  
If your client decides to rent their home, we'll manage it and return it to you to sell. We pay a referral fee for every client you refer who signs a Management Agreement.
