RENTER AGREES TO:

1. Rental Period/Rental Charge/Late Charges. Return the equipment in a clean condition TO THIS STORE LOCATION on the date and time herein specified as “Due Back” or within twenty-four (24) hours after receipt of the equipment if no time is specified unless other arrangements are made with this store rental location. A rental charge shall apply for the first specified rental period. A late return charge shall apply for equipment returned after specified period from time rented. Late return charges may be up to one day's full rental charge for each partial to full day period for which the machine is overdue. If the equipment is not returned within the time agreed upon for return of the equipment, Rug Doctor or Rug Doctor authorized licensees (Rug Doctor) shall have the right to take immediate action to recover the equipment or report it as stolen in accordance with applicable state or local law.

2. Deposits/Other Charges. Pay any deposit that may apply. Other charges may apply including a dirty machine charge if the equipment is not returned to this store location in a clean condition. Other charges will also include the full cost of all repairs or loss of equipment resulting from an accident, neglect, misuse or failure to return the equipment, as well as all costs and fees connected with recovery of the equipment and/or collection of other charges. Any deposits and other charges due are payable to Rug Doctor or its Agent. Renters may subsequently be charged for other charges including late return charges and/or these other charges may be deducted from deposit and/or cleaning deposit taken at rental date.

3. Equipment/Product Use. Use the equipment, materials, and Rug Doctor cleaning products in a careful and prudent manner according to the instructions furnished by Rug Doctor and do not allow another person to use the equipment without the express written permission of Rug Doctor. Rug Doctor is not responsible for damages or injuries resulting from 1) Renter's failure to follow operating instructions and warnings set forth in the Quick Start Guide or this contract, 2) Renter's failure to notify Rug Doctor within 24 hours from start of rental period of any damages that result to any surface for any reason, including equipment malfunction, 3) continued use of equipment that malfunctions, 4) use of non-Rug Doctor products in the equipment, 5) use of dye or bleach in the equipment, 6) use of the equipment on unauthorized surfaces or coverings, 7) placement or use of the equipment or allowing overspray on a floor surface such as hardwood or laminate that could become water damaged, or 8) use of equipment by a party other than Renter. If the equipment malfunctions, appears unsafe or contains any contaminants such as bleach or dye, Renter agrees to immediately discontinue its use and return the equipment to the store location and notify Rug Doctor at (800) 784-3628.

4. Indemnification. Renter agrees that neither he or she, nor anyone who uses the rented equipment, nor anyone for whose benefit the rented equipment is used will make any claim, demand or participate in any cause of action or claim for damage against Rug Doctor arising from property damage, personal injury, false imprisonment, intentional or neglect infliction of emotional distress, or time loss arising from the use of the rented equipment. Renter further agrees to indemnify, hold harmless, and defend Rug Doctor and its respective agents and employees from all claims, demands, or causes of action or damage arising from property damage, personal injury, false imprisonment, intentional or negligent infliction of emotional distress, or time loss to anyone else arising from the use of the rented equipment.

5. Insurance Company Waivers. To the extent permitted by any insurance policies Renter may have, including, but not limited to, any homeowner's insurance policy, Renter hereby waives (1) any right of its insurer to subrogate against Rug Doctor or its respective agents and employees, and (2) any rights Renter may have to be reimbursed for a deductible under an insurance policy, with respect to any loss, damage, or injury of whatsoever kind arising out of or incident to the rental, purchase or use of any and all equipment or products. **Theft or conversion of machines is a criminal offense. Rug Doctor will prosecute theft to the fullest extent of the law.**

SAFETY INSTRUCTIONS AND WARNINGS

When using an electrical appliance, basic precautions should always be followed. **Read all instructions before using this appliance.**

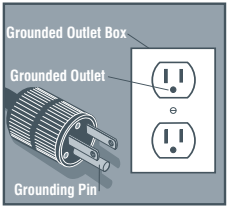

WARNING: Rug Doctor carpet cleaning machines are electrical appliances. When using an electrical appliance there are certain precautions that must be taken to ensure your safety and the safety of others who are using or who are in proximity to the area the machine is being used in. **FAILURE TO FOLLOW THE WARNINGS AND INSTRUCTIONS BELOW MAY EXPOSE YOU TO A RISK OF FIRE, ELECTRIC SHOCK, SERIOUS BODILY INJURY AND POSSIBLY EVEN DEATH.** Accordingly, you agree that you have received, read and will follow the following warnings:

- Do not use if machine, any attachment or cord appears damaged. If machine is not working or has been dropped, left outdoors, rained on or dropped in water, do not use and immediately return the machine to your rental location.
- Do not use machine if the filter basket in the bottom red tank is not in place.
- Do not use any attachments other than attachments designated by Rug Doctor for use with this machine.
- Connect machine to a properly grounded outlet only. See “Grounding Instructions” below.
- Do not run machine over cord. Keep cord away from heated surfaces.
- Do not pull or carry by cord, use cord as a handle, close a door on cord or pull cord around sharp edges or corners.
- Do not leave appliance when plugged in. Turn off all power and controls before unplugging. Unplug from outlet when not in use and before servicing.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or machine with wet hands.
- Do not use flammable or combustible liquids, such as gasoline or lighter fluid in machine or use the machine in areas where they may be present.
- Do not use to pick up anything that is burning or smoking, such as cigarettes, matches or hot ashes.
- Do not place any objects into machine or attachment openings and do not use machine if any openings are blocked. Keep openings free of dust, lint, hair or any other thing that reduces airflow.
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Keep hair, loose clothing, fingers and all parts of body away from openings and moving parts.
- Do not submerge or place machine in standing water or try to clear flooded areas with machine.
- Do not run machine over electrical outlets that may be located in the floor.
- Do not use machine without the upper (white) tank in place.
- Do not use an extension cord.
- Only use machine on surfaces moistened by cleaning process or to clean small spills.
- Wear rubber-soled shoes when cleaning.

GROUNDING INSTRUCTIONS

This appliance must be grounded. If it should malfunction or break down, grounding provides a path of least resistance for electric current to reduce the risk of electric shock. This appliance is equipped with a cord having an equipment-grounding conductor and grounding plug. The plug must be plugged into an appropriate outlet that is properly installed and grounded in accordance with all local codes and ordinances.

WARNING: Improper connection of the equipment-grounding conductor can result in a risk of electrical shock. Check with a qualified electrician or service person if you are in doubt as to whether the outlet is properly grounded. Do not modify the plug provided with the appliance. If the plug will not fit the outlet, have a proper outlet installed by a qualified electrician. This appliance is for use on a nominal 120-volt circuit, and has a grounded plug as illustrated here. Make sure the appliance is connected to an outlet having the same configuration as the plug. No adapter or extension cord should be used.

WARNING: For best cleaning results and to avoid the risk of permanent damage to your property, carpets, floors and furniture, please follow the following precautions:

- Always read and follow your carpet or upholstery manufacturer's recommended cleaning instructions prior to using this machine.
- This machine is designed to clean normally soiled carpets in one cleaning pass. Two passes can be used for heavily soiled carpets except Berber, multi-level or looped carpets. Do not use more than two cleaning passes on any area of carpet as overwetting and damage may result, which could include permanent staining of carpet.
- Do not use or place the machine on wood, laminate or natural fiber floors.
- Do not use or place this machine on natural fiber, silk, wool, sisal, jute, hand-loomed, or braided carpets and rugs.
- Do not use the machine to clean the following fabrics: silk, Haitian cotton, velour, velvet, corduroy, leather, fabrics with cleaning code S or X, or any non-colorfast fabrics.
- Do not go over Berber, multi-level or looped carpets more than one time. Failure to follow this instruction may result in overwetting and permanent staining of carpet. If carpets are not sufficiently clean, allow to dry completely and clean again using only one pass.
- Do not use bleach, dye, laundry detergents, cleaning powders, harsh solvents or chemicals or any non-Rug Doctor products with this machine as permanent damage to your property may result.
- When cleaning upholstery or furniture, make sure the black rocker switch on the top of the machine housing is set to “upholstery/hand tool.” If this switch is set to “carpet,” damage to floor may result.
- When cleaning carpet, set black rocker switch on the top of the machine to “Carpet.”
