

Hello Dear Friend,

Thanks to wonderful volunteers like you, Fred Jordan Mission's Thanksgiving Day service and dinner here on the streets of Skid Row is always spectacular!

Since my late husband, Fred founded the Mission in 1944, we have been doing good work – God's work – here on the streets of Skid Row, but we have never done it alone! We have always been supported by the volunteer partnership of friends like you.

Enclosed are some helpful directions and event preparation information.

HOPE - - Every abandoned mother, frightened child and homeless man here on Skid Row is looking for HOPE.

My staff and I look forward to seeing you on Thursday, November 23th.

God bless you!

Willie L. Jordan
