The Perfect Story

Heather Lee Dyer

She needs a story. He's running from his past. Gossip and romance are cooking...

Jess knows shame. Not only did she flee from a hometown scandal involving her college professor mom and one of her mother's white students, but she also reluctantly writes for a gossip magazine. When a celebrity story in Seattle falls apart, she desperately searches for a new scoop. She never expected to find someone like Logan.

Logan has his secrets too. His rich parents hurt thousands of people through their shady business dealings in South Africa. He's been content to keep to himself and work in the local culinary school until Jess walked into his life.

The attraction is mutual and instant, but Jess can't help but wonder if the story of Logan's family might get her the journalism job of her dreams. How she handles the sins of the past may just control her future...

The Perfect Story is the first story in a series of culinary romance tales. If you like diverse characters, sizzling romance, and delicious food, then you'll love Heather Lee Dyer's scrumptious series starter.
