### ***Liberation's Kiss***

Wendy Lynn Clark

A beautiful exiled diplomat. A sexy android assassin. He'll sacrifice everything to protect her...

Cressida wants to be perfect. The over-achieving daughter of a diplomat was groomed for a future in politics until she saw something she shouldn't have. Now her secrets could kill her entire family.

Xan is an android for the "benevolent" Robotics Faction. More specifically, he's a secret assassin for the all-powerful group, and his next assignment has made Cressida a target.

When a rogue agent severs Xan's connection to the faction, everything changes. Now he doesn't just want to protect Cressida; he wants to be with her.

As the feeling grows mutual, a second assassin enters the mix. Cressida puts all her trust in Xan, even though no android has ever left the Robotics Faction... and survived.

*Liberation's Kiss* is the first book in a series of sci-fi romance novels. If you like sexy action romance like Anna Hackett's Hell Squad series, android movies like *The Terminator*, and nail-biting suspense, then you'll love Wendy Lynn Clark's sizzling roller coaster ride through space.

### ***Resurrection Heart***

Wendy Lynn Clark

A mercenary with a target on her back. A soldier with an attraction stronger than his emotion chip. Can they survive long enough to see the future they never imagined possible?

Tahje is a mercenary in the Antiata Deterrence Company. She's been killed 348 times in combat, almost always by friendly fire. Her continued survival leads to a lifetime of corporate indebtedness. Her one consolation to a lifetime of mercenary battle: her unit of quirky misfits and Glæ, a sexy cybernetic soldier.

When Tahje discovers that all her accidental deaths might not be accidents after all, she and Glæ become targets on the run. The mercenaries must now fight off robot assassins, hungry wildlife... and a growing mutual attraction stronger than his emotion suppression technology. Caught in the hostile jungles of a steamy planet, Tahje must decide whom to trust with her life... and possibly her heart.

### ***Invisible Embrace***

Mary Buckham

A tempting mission could reveal Kelly's past... or get her killed.

Invisible Recruit Agent and former kindergarten teacher Kelly McAllister is suspicious. Still banged up from her last harrowing mission, she receives a gift-wrapped assignment that could finally tell her who she is. But it wouldn't be an IR mission without strings attached.

As if it wasn't enough to involve an unpredictable Fae mentor with his own agenda, sexy and infuriating ex-lover Van Noziak has been appointed her bodyguard. When the mission pits Kelly against an angry demon lord's daughter, she's faced with a choice: accept the dark side of her birthright or turn every powerful preternatural against her. No matter the choice, Kelly's chances of survival seem to drop with every passing day.

*Invisible Embrace* is the third book in the Kelly McAllister paranormal romantic suspense series. If you like fast-paced adventure, engaging urban fantasy, terrifying demons, sexy shifters, and dark supernatural forces, then you'll love the latest installment in this page-turning series.

### ***Find Us***

*R. A. Roque*

The Circle is broken. The galaxy may be next...

Gracie has been beaten to the brink of death. Imprisoned on a planet far away from the other three members of her Protector's Circle, she must use her kinetic powers to escape. Though traumatized by her ordeal, she knows it'll all be okay if she can find Shiv again.

While Gracie is a master of nearly all abilities, Shiv has but one. He can manifest anything out of thin air. Shiv would trade it all for one telepathic clue to find out if Gracie is still alive. As he fights back against his own captivity, Shiv will use everything in his arsenal to get Gracie and the Circle back.

As Gracie, Shiv, Chad, and Yumi battle to reunite, The Agency is planning something unthinkable. The members of the Circle will need to be stronger than ever before to stop a powerful evil from destroying everything they know and love.

*Find Us* is the second book in a sci-fi romance series set in a world where incredible abilities are commonplace. If you like fully-realized characters, fascinating worlds, and sizzling chemistry, then you'll love the next installment in R.A. Roque's page-turning saga.

### ***Hide Us***

*R. A. Roque*

For the Protector's Circle, even Christmas can be a time for enemies...

Hiding out from The Agency has put everybody on edge. When Yumi learns that one of their mortal enemies, Merrywell, has contacted Chad for help, she accidentally takes a tumble into a nearby lake. Her stumble does more than give her a chill. It throws her mental powers completely off, which could have deadly consequences for the rest of the team.

When their enemy's pleas for help appear genuine, Yumi and Chad consider their options. They could abandon her to her deadly fate or help her and leave themselves open to betrayal. But can they possibly turn away someone who needs their help on Christmas?

*Hide Us* is a novella set between books one and two in the Protectors series, a collection of sci-fi romance novels. If you like cute chemistry, incredible superpowers, and Christmas science fiction, then you'll love R.A. Roque's standalone adventure.

### ***Protect Us*** *R. A. Roque*

Power. Order. Defiance.

Chad and Yumi have mental abilities that make them powerful and dangerous. If not for the training provided by The Agency, they'd lack skill, refinement, and purpose. As two parts of the most powerful Protector's Circle ever, Chad and Yumi are just one mission away from becoming full-fledged Protectors.

Chad has the ability to listen in on any mind in the universe, while Yumi has a mental shout that can fry a person's brain in three seconds flat. But neither of them is all-powerful, and Yumi has a weakness that causes her immense pain whenever someone touches her. Chad's weakness may just be the unrequited love he has for Yumi.

As the pair travels to a routine wormhole stabilization, Chad and Yumi have more than their feelings to worry about. It turns out the Agency hasn't told them everything about the mission, and when they find out the truth, they'll need to make a choice that'll change their lives forever.

*Protect Us* is a sci-fi romance novel set in a future where telepathy and other mental abilities are commonplace. If you like palpable sexual tension, steamy love scenes, and action-packed space adventures, then you'll love R.A. Roque's beautifully written gem.

### ***The Ballaun Stone***

*Jan White*

A painful past. A family secret. An ancient stone that's both a blessing... and a curse.

Texas, 1976. Kate McKenna still feels responsible for her mother's death. She's erected an impenetrable emotional wall to cope with her obsessive fear of loss. When her ailing grandmother asks for help on the farm, it's Kate's guilt that brings her back home.

Two events in rapid succession threaten to pull her from her self-sheltered life: meeting the loyal and caring Mike and the mysterious healing of several wounds from a recent hailstorm. The discovery of an old diary sets Kate and Mike on a search that leads them to the Ballaun Stone, an ancient rock slab with incredible powers. When Kate learns of the stone's healing magic, she sets out to restore her grandmother's health.

There's only one problem. Someone else knows about the stone, and he's willing to kill for it.

The Ballaun Stone is the first book in a magical realism mystery series that features well-developed characters and a charming romance. If you like the stories of Sarah Addison Allen or Edie Claire and tales of Irish mythology, then you'll love Jan White's American Gods-style fantasy.
