### ***Recycling Humanity***

Wendy Lynn Clark

Earth is dying. Humanity prepares for the next step. One girl may hold the key to survival.

As mankind clings to life in space habitats above their dying home, 17-year-old Kaci Lee is hopeful of the future. After all, she worked countless hours to get her space pilot's license, the first of many meticulously-planned lifetime goals. She's well on her way to achieving everything she's ever wanted.

Unforeseen dangers during a routine recycling mission force Kaci to land on the mostly-evacuated Earth. Surprisingly, she meets Abishai on the planet's surface, the handsome son of a famous and mentally-unstable scientist, Dr. Kincaid. Together, Kaci and Abishai must survive in the face of radiation sickness and a freak superstorm. Little do they know that Abishai's father possesses the greatest danger of them all.

Dr. Kincaid has a secret. A secret that could kill Kaci. A secret that could wipe what's left of the human race.

*Recycling Humanity* is the first book in a YA sci-fi dystopian series that features intergalactic action, surprising plot twists, compelling characters, and a kick-ass female heroine. If you liked *The 100*, *The Lunar Chronicles*, or *The Partial's Sequence*, then you'll love this new space adventure.

### ***Starlight Max***

Wendy Lynn Clark

A prisoner. A pilot. A world that's lost without their help.

Kindra Ara thought that working for the deranged Dr. Kincaid would help buy her way to freedom. Without parents to turn to, Kindra and her autistic best friend Alix formed a family and dreamed of their own spaceship to live on. When Kindra learns of Kincaid's dangerous plans with a stolen cache of weapons, he sends her far away from Alix to the secure cryo-prison Starlight Max. It's only after waking up out of stasis she realizes Kincaid has stolen two years of her life.

A Commander with a secret agenda breaks Kindra out of prison; an agenda that will bring her face-to-face with Jupiter Station pilot Kaci Lee. Together, Kindra and Kaci must rescue the other orphans Kincaid enslaved while stopping the unstable scientist from putting mankind's migration plan in danger. Without their help, humanity may soon breathe its final breath.

*Starlight Max* is the second book in a YA sci-fi dystopian series that features interstellar action, captivating suspense, and a pairing of two tough-as-nails female heroines you won't want to miss. If you like *The Lunar Chronicles*, *The 100*, or *The Partial's Sequence*, you'll love the second installment in Heather Dyer's action-packed space adventure.

### ***Mind Over Easy*** Bryan Cohen

A teenage superhero. A mind-altering menace. An escalating war.

Between fighting crime, ignoring the growing Go Home Alien movement and fielding recruitment offers from the federal government, Ted's world is growing more complicated by the day. His one saving grace is his budding romance with Erica LaPlante, a light soul from another world in the form of his dream girl.

Erica is falling for Ted too, but she's also keeping secrets from him to preserve her mission. As Ted, Erica and the rest of the team cope with the fallout from their battle against the dark souls, a new evil ascends on the town with the ability to control what they think, see and feel.

Erica's secrets may hold the key to winning the battle but revealing them could sacrifice the war.

*Mind Over Easy* is the second novel in a YA sci-fi/fantasy series that features breathtaking action, frightening horror, laugh-out-loud humor and a hint of romance. Author Bryan Cohen continues to adapt his love for *Buffy the Vampire Slayer* and all things Joss Whedon in the second book of the *Ted Saves the World* Series.
