Acts 8:26-40

PASTOR ZAC NAZARIAN | May 11-13, 2018

What is the “Great Commission”? See *Matthew 28:19*;

Acts 1:8

Who are you presently discipling? If not, why not?

What does the persecution of the Jerusalem church lead to?

Does God have a purpose? If so, what is it?

What does God need to do to bust you out of your
“comfort zone”?

What four things can we learn from Simon the magician's example?

1)

2)

3)

4)

How should we view ourselves?

Three things essential to salvation happening:

1) The working of the Holy Spirit

2) The Word of God

3) The Man of God

Give an example from your own life of obeying God when it didn't "make sense." What was the result?

How was the Ethiopian an example of one who lived up to the light given him and was given more light?

We can know of God's existence through general revelation.

But saving knowledge of Him comes only through special revelation, the Scriptures.

Would you know the Bible well enough to speak to the Ethiopian's questions?

How do you need to grow in your faith so you'll be prepared for surprise opportunities?

How does the Ethiopian respond?

Should every believer be baptized? Are you baptized?

What is God's 3-step program? (*Acts 2:38*)

What should be a mark of a true believer (*v 39*)?

Why?
