

PAUL'S CONCERN FOR THE CHURCH

Acts 15:36-16:10

PASTOR ZAC NAZARIAN | Sep 21-23, 2018

What is Paul's "mission"?

Paul said to Barnabas, let's do what? (vs 36)

Where does a passion for the lost (and the church) come from?

What is the ultimate priority of your life?

What do you think would be the impact of a well-taught, mature, spiritually strong local congregation?

Who do you think was right...who would you side with (and why) in the "sharp disagreement" between Paul and Barnabas over John Mark?

Who joins Paul in Lystra? Why does Paul circumcise Timothy in the light of the Jerusalem council's decision?

What two-fold message was delivered? (vs 16:4)?

1. Salvation by grace

2. Living by love

Have you found that there are "delays" in your plans?

Why do we exist as a local church body? What is our purpose? What is your purpose?

Each member is a minister. How are you ministering?

How are you contributing to the strengthening and building up of the church?
