

Retirement Notice

Important

This PDF is retired. Don't worry, you can find all of its contents on the Power of Us Hub as HTML articles. See [Volunteers for Salesforce Documentation](#).

Now you can:

- Bookmark specific articles
- Browse articles using a practical navigation experience that works on any device
- Enjoy a consistent user experience across all our product documentation

If you have any concerns, reach out to us in the [Volunteers for Salesforce Group](#) on the Power of Us Hub.
