About Launch Funnel

Full Stack Funnel

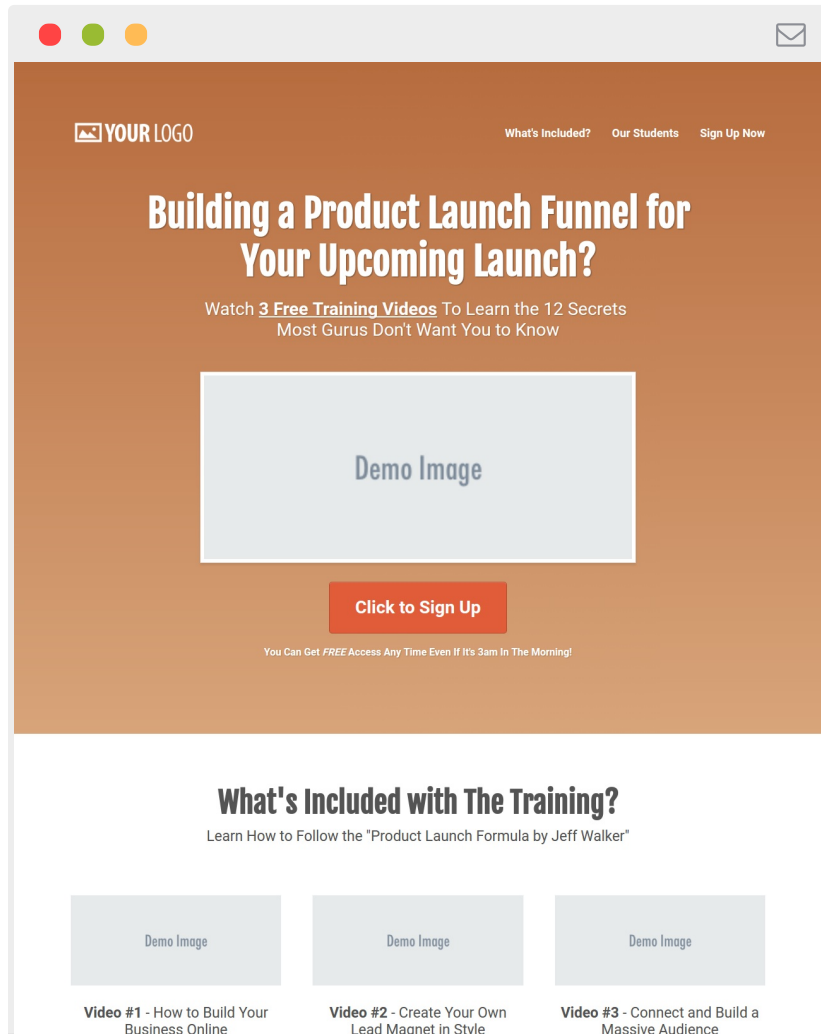

Using the Product Launch Formula (PLF) for a paid for membership area that would offer daily content for 30 days using the ClickFunnels Memberships.

Squeeze Page

Capture email leads by offering them a free 4-day training video course, which would be part of the next 3 steps. This squeeze page is focused on enticing the user to start watching video #1.

Product Launch Formula Style

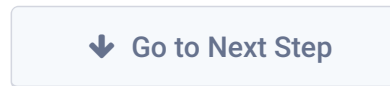

These pages showcase your video and offer a PDF download for each training video which you would send out emails to this page right and 1 day after they sign up.

The screenshot shows a web browser window with a registration form. The header features a logo placeholder 'YOUR LOGO' and a testimonial from John Thompson. The main heading is 'Become an Affiliate and Earn Crazy Money in Your Bank Account!'. The form is divided into two columns. The left column, titled 'Create Your Account:', contains fields for Email, Password, Confirm Your Password, First Name, Last Name, Phone, and Payment Preference (with 'Paypal' selected). The right column contains a 'Sign up to Get 50% Commission' button, a note about affiliate links, and four promotional sections: 'Affiliate Dashboard', 'Make Money Today!', 'Swipe Copy and Banners', and 'Create Your Account', each with an icon and a brief description. A 'CREATE YOUR ACCOUNT' button is at the bottom left, and a 'Already an affiliate? Login Now!' link is below it. The footer reads 'MyCompany, LLC - Copyright 2015+ All Rights Reserved'.

How to Setup and Publish

Step #1: Add Funnel to Your ClickFunnels Account

[Get your free 2-week ClickFunnels trial now!](#) This funnel will be in your account immediately ready for you to edit in the ClickFunnels Page Editor and start sending traffic to collect email leads, generate sales and grow your business!

Step #2: Customize in the Page Editor

You can change any part of the funnel using the Drag and Drop Page Builder, you can add your own images, change text and add anything you want to the page.

Step #3: Publish and Send Traffic!

With ClickFunnels you can send traffic right away! You can start sending traffic to the default funnel URL or if you want to add your own domain name and email auto-responder just check the FAQ page.

Frequently Asked Questions

"What Can I Do with ClickFunnels?"

You can build your own lead generation funnels, sales funnels, webinar and auto-webinar funnels, membership funnels, send email broadcasts, collect email leads and even run your own affiliate campaign with Backpack!

<http://docs.clickfunnels.com/funnels>

"How Do I Setup Custom Settings?"

Please note that in order to add your domain, it must already be registered with a domain registrar. You can use the automatic setup with Cloudflare or follow the manual instructions.

<http://docs.clickfunnels.com/custom-domains>

"How Can I Setup SMTP and Auto-Responder?"

In order to add a new SMTP integration to your ClickFunnels account, you must be subscribed to the Etison Suite. When you have the Etison Suite added to your account, you will be able to have up to three SMTP accounts total in your account.

<http://docs.clickfunnels.com/smtp-email-integrations>

"Is there a ClickFunnels QA Webinar?"

The Frequently Asked Questions are a series of videos that are recorded and updated weekly with answers to questions from real ClickFunnels users.
