

## EVENT SAFETY PROTOCOLS: INDIANAPOLIS, IN

Given the current COVID-19 situation, our main concern is the health and well-being of our attendee and exhibiting partners. The Indiana Convention Center has spent \$7 million on safety upgrades, including a new filtration system. [Click here](#) for a video that shows all of the upgrades inside the convention center.

### GPX Safe Guidelines for Participants

Face masks are required at all times in the Indiana Convention Center, and will be available for those who don't have one or forgot to bring one

Daily health checks required

Maintain six-foot social distance

In addition to extensive safety measures being undertaken by the Indiana Convention Center, GRAPHICS PRO EXPO safety protocols will address the following:

#### Work closely with the convention center on:

- Building disinfection and cleaning protocols
- Food service safety guidelines
- Medical services

#### Monitor City, County and State guidelines

- Mask recommendations
- Mass gathering guidelines

#### Hand sanitizing stations located throughout the Indiana Convention Center, including:

- In registration area
- Near classrooms
- Inside the exhibit hall at the entrance, exit and each aisle

#### Registration Area:

- Touchless registration and badge pick-up
- Plexiglass shields at customer service and badge pick-up counters

#### Exhibit Hall:

- Additional aisles to decrease the number of inline booths
- One-way aisles
- Social distancing signage and floor graphics
- Disinfectant wipes provided to exhibitors for cleaning in between demonstrations

#### Classrooms:

- Entire room will be set classroom style allowing additional space for each attendee to socially distance
- Touchpoints, including door handles, will be sanitized after each class

#### AGS (General Service Contractor) commits to:

- Cleaning soft goods (drapes, skirts, carpet) between events
- Clean equipment upon return to inventory
- Material unloading be completed in a queued fashion, requesting drivers remain in their POVs/truck cabs

The GRAPHICS PRO EXPO team is eager to be on show site and facilitate face-to-face business. Having a safe event is priority-one. We ask everyone to be respectful of each other's space. Handshakes and hugs can be replaced with a nod and a wave. Please [reach out](#) to our team with any concerns, suggestions, comments, or questions about the in-person event.
